DUNKIRK

The news had rocked the world,
 Trapped like rats, in a closing net. Betrayed !
 Deserted by the friend whose call for aid
 They'd rushed to answer.—Grim they took their stand;
 Turned but the bayonet point to the Hun's demand;
 And solid stood against that steel-edged band.

Then came the ray of hope.
 The chance in a million ! Round flashed the sharp command.
 "Try for the channel ports. But reach the sea
 And yet we shall rob the Hun of victory !"
 A fighting chance ! Fiercer the cannons roared,
 And fighting like mad men, back to the sea they poured !

Back, back to Dunkirk !
 Back the gallant legions drove. Back !
 Back through the stricken fields of Flanders. Back !
 Pressed by the mighty hordes of the Hun's attack.

Back they came.
 And vainly 'gainst that wall the hordes of gray,
 Pouring their favoured thousands in the fray,
 Pounded a hellish storm through night and day.
 Trying to break the heart of that brave array
 That stubbornly held the sweating foe at bay.

Into the town they came.
 And on came the holocaust, and the mighty sound
 Echoed to England where at that fearful pound,
 A dreading, wondrous surmise swept the shore
 And struck the soul of Britain to its core
 But all held fast to the heritage they bore.

Out to the ships they swam.
 Leaving the boats for the wounded, while the rest
 Defended the smoking shambles, Taking the best
 That the foe could send, e'en though their bravest led;
 Heaping the country round with the German dead !

And now the ships were home.
 Discharging the first, then back on the sea went they !
 Back to the red inferno, night and day !
 Bringing the Tommies home, a weary host.
 And on roared the guns across from the Dover Coast !
 Robbing the foe of his triumph, they returned;
 Out of that flaming hell that has lightly burned
 Their hearts forever. England, 'twas no defeat.
 The world has gasped with awe at that brave retreat !
 Mankind shall ring applause to the mighty feat !
 Honour the Heroes !

DAVID SHELLEY NICHOLL.

MARCH PAST IN LINE

A FOREWORD BY PRINCIPAL F. CYRIL JAMES FOR BISHOP'S COLLEGE MAGAZINE, MAY, 1940

It is not easy to write a message to you at this moment. The struggles of a new war to-day absorb the primary attention of Canada, and of every other part of the British Commonwealth; for the moment the myriad arts of peace—the arts for which you have been educating yourselves—are overshadowed by the magnitude of the struggle.

The military record of the Old Boys who have gone out from Bishop's College School is a chapter of imperishable glory in the annals of the School. I do not need to remind you of that, since you have been living with the tradition for many days and nights, and have watched men go out from the School during the past year to emulate the achievements of their predecessors a quarter of a century ago.

But I would remind you that the conflict in which the Anglo-French forces are engaged extends far beyond the battles in which armies and battleships participate. Unless the men who stay at home continue to play their part with vigour and determination, the efforts of the armies in the field will be harder and longer. You have often heard that this is a war of economic forces, a war in which each nation is attempting to mobilise and use efficiently the whole of its available resources, but do you realise that economic mobilisation requires that every man shall accept the job that he is asked to do, and work at it with all the power that is in him? The bank clerk and the assistant in a shipping office may not share the high traditions of our famous regiments: they enjoy none of the rich qualities of comradeship in sacrifice that soldiers and sailors distil out of their experiences. But armies and navies depend upon the work of the people who are left at home and, when we reduce it to personal terms, economic mobilisation simply means that each of us must do the job to which he is assigned, manfully and with no complaint.

Nor is that your only responsibility. You have heard that this is a conflict of ideals, a war between autarchy and democracy. You are the citizens of tomorrow, and the future of our ideals is in your hands. Democracy has not created a perfect world, but it has offered to us the freedom of thought and action which enables us to work out our own destiny. A better world will not be created by dreaming, it will not be brought about by fine phrases and flowing oratory. If the world is to be improved and democracy preserved, you must take up the task. Whether you may be in uniform or in "civvies" every one of you shares that responsibility. You must be willing to study facts, so that you may judge wisely in controversy. You must have imagination to see beyond the clouds of today, and you must learn to think clearly so that you may chart the course

wisely. Above all you must have courage, since you will not attain your ideals without fighting for them. I should like to give you for a motto the words of an old English ballad that has been handed down from long ago:

"Fight on, my men," said Sir Andrew Barton,
"Though I am hurt, I am not slain.
"I'll lay me down and rest awhile,
"And then I'll rise and fight again."

Fight on, until the whistle blows. You cannot afford to compromise with your own ideals, and Canada depends upon your pertinacity.

A handwritten signature in black ink, appearing to read "Sir. Andrew Barton". The signature is fluid and cursive, with a long horizontal line extending from the end of the "n" in "Barton" to the right.

Editorial

Although our hearts have been with the men fighting on the different battle fronts, the School has stood fast to its duty and preparative work here. It has demonstrated by a seriousness and strict regard for the solution of present problems that it is faithfully rendering the only reasonable preparatory service which, at present, it is capable of performing.

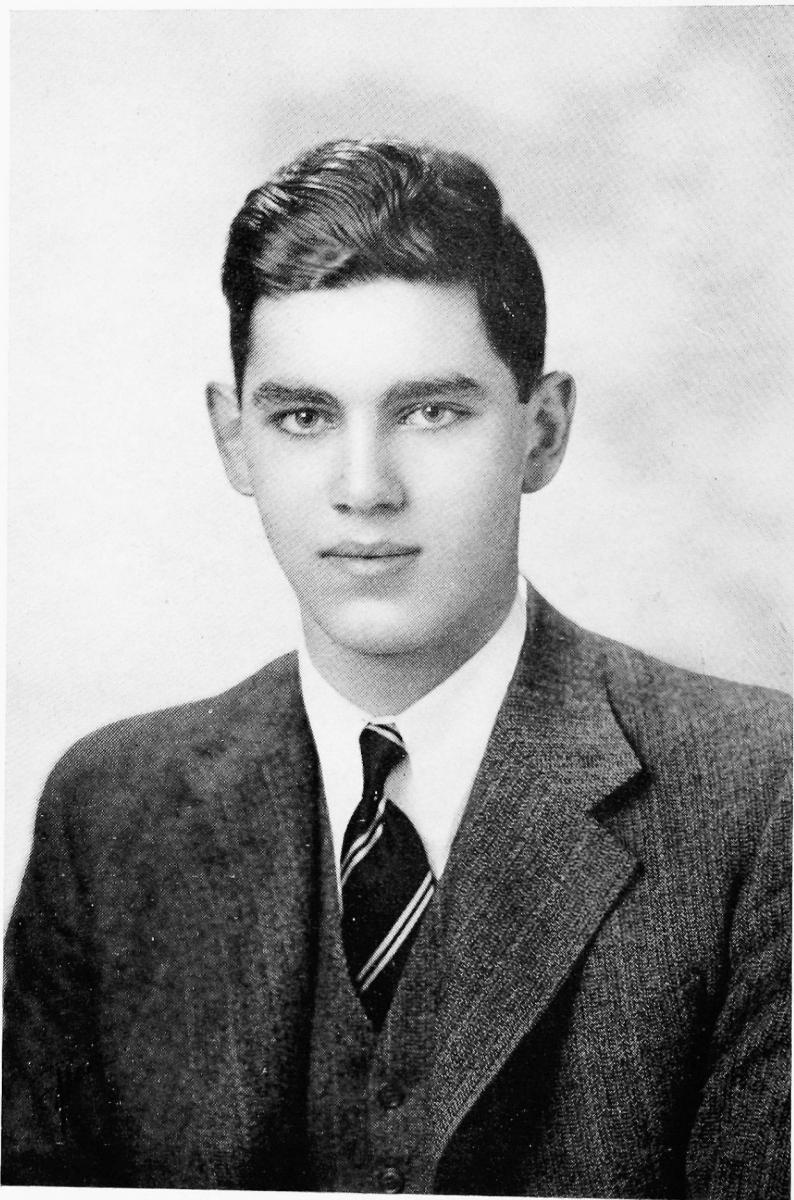

In our last issue we referred to a Foreword written for the Magazine by Major-General A. G. L. McNaughton wherein he said, speaking of a master, that he "felt under great debt for his kindly sympathy and understanding and for the way he introduced me to his subjects; so well indeed that I never had a moment's trouble with them either at the University or afterwards."

This master, who was here from 1885 to 1909, on receiving a copy of the Magazine instantly wrote us: "McNaughton is certainly very complimentary, but one cannot look into the eyes that look out of that photograph without realizing what a serious character he possessed. His own efforts must not be underestimated he never faltered in what he was expected to do."

And here is a tribute from him to our poets: "I wonder if you realize how pleased I was to find so many excellent pieces of verse. They were all good but I was especially attracted to Is there really such a School to-day, of such culture and vision that it can deliberately orient a boy's mind towards the field of poetry?" "is a tour de force for a VA form boy; but the sonnets of and were admirable. I do hope they will all continue and continue the fine literary traditions of Canada."

After 27 years of faithful and devoted service "Nursie" is leaving us and in the name of present and Old Boys, Masters and all connected with the School we wish her "God Speed." Pleasant memories of her will go with us through life.

It was with very great sorrow that we heard of the first casualty among Old Boys in the present War. Those who knew Georgie Auld when we crossed the River in '22, and the four subsequent years, will have very real recollections of a loving personality, of true and staunch friendship, and a very vivid and poignant memory of one hairbreadth escape.

CADET MAJOR

MRS. CLEWS, B.C.S. 1913-40

Chapel Notes

CONFIRMATION

On Sunday morning, the twenty-sixth of May, the Right Reverend Philip Carrington, S.T.D., D.Litt., Lord Bishop of Quebec, administered the apostolic rite of Confirmation to a class of eighteen boys presented by the Chaplain:

David Griffith McConnell
 Robert Burrus Christie
 Robert Stephen Hampson
 David George Lorimer
 Duncan Bryant Schwartz
 Francis William Morkill
 Peter George Estin
 James Cromwell Lewis
 John William Price

David Ross Struthers
 John Overy Anderson
 John Errol Stanley Moffat
 Edwin Douglas Taylor
 Christopher Henry Flintoft
 John Herbert Edward Norris
 Franklin Wallace Bortight
 Anthony Ian MacTier
 Peter Grattan Holt

The Reverend Sydney Childs, M.A., of Bishop's University, acted as Chaplain to the Bishop.

In his address to the confirmees the Bishop emphasized the necessity in individual, in social, and in national life of constant prayer to the God of our Fathers for the Gifts of the Spirit—Courage wedded to the staying qualities of Endurance and Knowledge that develops under the Spirit's guidance into Wisdom and Ghostly Strength. On such a day, a day set apart by Royal Decree as a Day of Prayer for the Allied Cause, a bishop's message to a Confirmation class and the Church's message to the freedom-loving peoples of the World was one and the same.

FIRST COMMUNION

On the First Sunday in June the newly-confirmed will make their first Communion, when the communicant members of the School will join with them in this great act of self-dedication to the things of God.

The same day the Reverend Mr. Crichton of Newport will be the preacher at the eleven-thirty service. Mr. Crichton preached in our chapel several years ago, and it will be a great satisfaction to hear him again.

It has been a year of trial and tribulation for mankind. We have found ourselves saying, "How long, O Lord, How long?" but with a steady resolve and a devoted heart we must brace ourselves for the tasks of the future. Never before has there been such need for cool heads, sound hearts and consecrated wills.

Thy Kingdom come, O God,
 Thy rule, O Christ, begin;
 Break with thine iron rod
 The tyrannies of sin.

O'er foreign lands afar,
 Thick darkness broodeth yet;
 Arise, O morning Star,
 Arise, and never set.

CANON LEWIS HENSLEY, 1867.

The Choir

For the purpose of reference, a list of boys who rendered excellent service to the School in the choir this year, is worth recording. Here it is:

Tenors: Dodds I, Sewell I, MacTier I, Hugessen I, Sheppard, Morgan, Sewell II, Bayne, Lindsay II.

Basses: Kenny, Atkinson, Nicholl, Ramsay, Thornhill, Crichton, Lindsay I.

Altos: Davis, Flintoft I, McCurdy, Wanklyn I, Hugessen II, Macdonald, Grav, Morkill, Howard II.

Trebles: Finley, Holley II, Dodds II, Ker, Scott, Boyle, Wanklyn II, Churchill-Smith, Estin I, Pitfield I, McMaster, Flintoft II, Norris, Moffat I, Boright, Wallace, Stoker, Smith, Sewell III, Hugessen III, Boyd, Stevenson, Bouet-Willaumez, Estin II, Robinson, Moffat II, Empey.

Most of the tenors and basses have had several years of training—first as trebles—and it is encouraging to hear them reading their parts so well. We are sorry to lose many of them at the end of this term, for their parts have been sustained better than in any previous choir. We wish them well and hope they will not neglect the opportunity to enter a good choir in which, I am sure, they will prove valuable additions.

The altos, almost to a man, will become tenors or basses.

The trebles this year have been somewhat overshadowed by the volume of tenor and bass, which is not good in any way, because what is required is a clear line of melody in leading congregational singing. Good confident trebles are a necessity. We hope to recruit some new ones next year.

Our altos for next year must not feel that they are of little use because they have only to sing very lightly. Many of them have been prominent and will be equally prominent later as tenors or basses, but during the transition stage it will be better for them to be in the choir as light altos than to sit in the congregation where their interest will be likely to wane and the good of the early training will be undone.

May I add my sincere appreciation of the work of the choir in the production of "Iolanthe", in which all the principals were choir boys. In the part singing, the experience and knowledge of the choir boys were invaluable to the conductor and incalculably helpful to the non-choir members of the cast.

W. A. P.

School Notes

We welcome to B.C.S. Mr. Sydney G. Cooper, who came to us in January to teach Chemistry and Maths. Mr. Cooper received his B.Sc. with honours in Maths and Physics and a Specialist's Certificate from McGill University. For the past three years he has been at Verdun High in the Science department. He is an enthusiastic tennis player, and has had charge of that sport this spring, as well as of the track squad which competed with success in the Interscholastic Track Meet at Stanstead late in May.

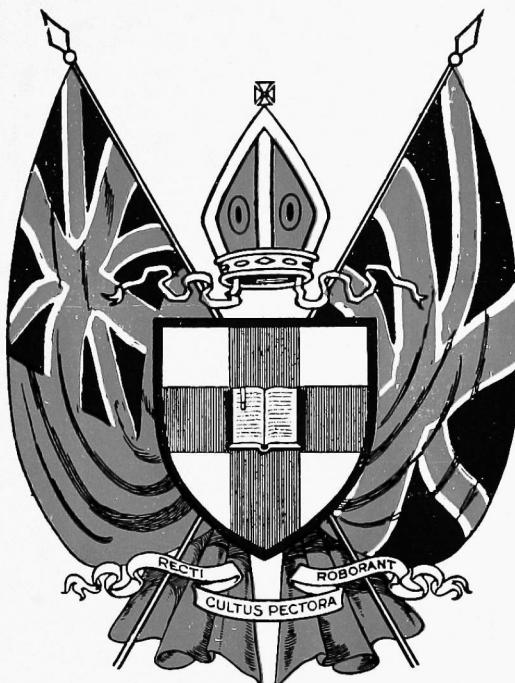

EVENING

The sun is sinking in the far off west,
And all the world is sinking into sleep.
God's children fall asleep in slumber blest;
And through their minds sweet dreams of heaven creep.

A curtain draws upon the deeds of day—
And men forget the miseries of life.
Their cares and troubles then are cast away,
While all their minds are turned from bloody strife.

A period comes of quiet, peaceful rest
Before the sunny world-encircling morn,
When men must rise and meet again earth's test
Of facing life within a world war-torn.

F. S. HOLLEY.

No. 2 BISHOP'S COLLEGE SCHOOL CADET CORPS

The annual inspection of the Corps took place on the School grounds on Wednesday, May 29th. The inspecting officers were Major John H. Molson of the 2nd Battalion Black Watch of Canada and Lt.-Col. Chicoine, Cadet Inspector, M.D. 4.

The parade formed up at two o'clock and after preliminary inspection by platoon officers, and sizing, marched on to the inspection base where the general inspection took place. This was followed by a march past in line and marches past in column and close column of platoons. The Corps then broke off while a picked squad went through fifteen minutes drill without words of command. After this, demonstrations of physical training were given by the Upper and Preparatory Schools under the direction of Lieut. Instr. W. H. Fisher.

The finals of the Prep. School boxing came next with the following results:

Lightweight:	Anderson	won over	Taylor II
Featherweight:	Price	" "	Estin II
Bantamweight:	Boright	" "	Stoker
Flyweight:	Smith	" "	Moffat I
Midgetweight:	Wray	" "	Williams

In the finals of the Atomweight, fought previous to inspection day, Robinson won over McMichael. All bouts were two rounds of one minute each.

Following this event the company changed into white ducks and proceeded with the remainder of the inspection. This consisted of section, platoon and company drill. Finally the company drew up in review order in front of the saluting base, advanced at the slow march, halted, and presented arms while the band played the general salute.

Preceding the dismissal Lt.-Col. Chicoine presented the following awards:

Cup for the most efficient Recruit, won by Recruit J. B. Holley
“ “ “ “ N.C.O. “ “ Cadet Sgt. A. I. MacTier
“ “ “ “ Officer “ “ Cadet Lieut. C. D. Sewell

The Strathcona Medal for the most efficient member of the Corps, won by Cadet Major D. J. Dodds.

Major Molson briefly congratulated the Corps on the showing they had made, and promised to ask for the School a half holiday, for which he received three hearty cheers. He also stated that number one platoon of the 2nd Batallion of the Black Watch of Canada is considered the best in the Batallion. Fifteen B.C.S. Old Boys are in this platoon. For this and for the high standard of efficiency of the Corps he congratulated and highly praised Lieut. Instr. W. H. Fisher.

THE BAND

On the evening of May 26th the members of the Band were invited into Sherbrooke, where they showed their ability by assisting the Sherbrooke Regiment Band in marching with the 5/73 Bty., R.C.A., 2nd Div., C.A.S.F. from the Exhibition grounds to the C.P.R. station. There the two bands joined in with the crowd in giving the soldiers a rousing send off. Before entraining Major A. M. Keefer thanked the Band and congratulated them on their performance.

For the occasion of the parade in Sherbrooke the Band learned to play "*Mademoiselle from Armentieres*". This lively tune was greatly appreciated by the soldiers; it was also played during the inspection.

The Band is greatly indebted to Robin Lindsay for his able assistance in the Inspection and the parade in Sherbrooke.

MINIATURE RIFLE SHOOT

The various competitions are now under way but unfortunately will not be completed at the time of going to press.

THE COLOUR PARTY

THE CLOUD

Ethereal wraith so gently borne upon the phantom breeze
 While deep above the blue recedes into a thousand seas
 And nature claims her verdure from the famine of the trees;
 While once again in foliage bright we hear the robins sing
 To hail the ban of winter in the overture of Spring;

While once again beneath the painters brush I see resown
 The seeds of summer's beauty in the glories I have known
 That clothe the barren acres where the icy blasts have blown;
 When sings the song resplendent in the wealth of season's art
 And inspiration feeds again the hunger of my heart:

O fragile veil of even, when across the scarlet sky
 You cast a patterned mantle that shall mask and glorify
 The sun's farewell, while all about the tranquil voices sigh;
 When cries of pain and sorrowing, in awe of nature cease,
 And in our hearts those tranquil voices sigh and whisper, "Peace".

Celestial menace, when your gloomy blanket shrouds the sky
 And seems to grudge the very rays that Phoebus filters by,
 As you and he in avaricious contest seem to vie,
 And like the dreadful omen of a curse that's long delayed
 You decimate the joys of spring that struggle in your shade.

O wrathful monarch, when your mighty fury rides the gale
 And your indomitable anger shakes the trembling vale
 While Pluto's black insignia masks the sky, not long since pale
 With warning, and from out your deep impenetrable vault
 You cast your flaming missiles in their blinding white assault.

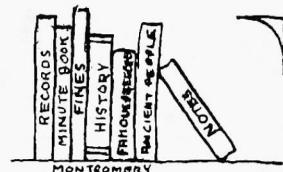

See Nature's favoured offspring quake beneath your tyrant lash
 And see her children's panic in each cruel revealing flash
 That guides the scourging torrents as it cuts a golden gash
 Across the murky chaos. Here then shall you reign supreme
 And driven by the tempest, who shall challenge your regime?

O cloud cosmopolite when hounded not by fickle flights
 Of nature's whims and fancies, how your sportive heart delights
 To mock and tantalize us with your changing forms and rites,
 As if in skilful parody upon our futile schemes
 When hatched within the whirlpool of these restive idle dreams.

Through many worlds and images you romp and never let
 Your knavery be bounded by a single silhouette,
 As never in this seething world is one fixed passion set
 To dominate our lives, but fashions fitfully revolve
 Then disappear, as you into the drapes of blue dissolve.

DEBATING SOCIETY

1879

BISHOP'S COLLEGE SCHOOL DEBATING SOCIETY 1939-40

OFFICERS

Chairman R. L. YOUNG

President J. A. B. NIXON

Chief Secretary . . . A. F. CRICHTON (Grant Hall Medal)

Secretaries . . . P. G. HOLT, G. H. DAY, K. S. HOWARD

M.C.: B. HUTCHISON Treasurer: J. SKELTON

FIRST ELEVEN DEBATERS 1939-'40:

Nixon	873 $\frac{1}{2}$	Grant Hall Medal.
Crichton	844 $\frac{1}{2}$	Chairman's Medal.
Hugessen III	821	Society's Medal.
Howard I	799	
Skelton	781	
Sheppard	717	
Holt	708	
Davis	588 $\frac{1}{2}$	
Wanklyn II	532 $\frac{1}{2}$	
Hutcheson	504 $\frac{1}{2}$	
Bishop	418	

There was a meeting of the B.C.S., D.S. on Saturday evening, January the thirteenth.

HAT NIGHT

The Society met on January the twentieth.

The Motion before the House was:

"That this Society is of the opinion that 'A King is the best inspiration for a country's people'."

For the affirmative:—Davis, Howard, Wanklyn and Bishop spoke, and for the negative:—Skelton, Hugessen, Crichton, Nixon, Sheppard and Lewis.

The Motion was carried 8-3.

At the meeting of the Society on February the fourteenth the motion before the House was:—"That this Society is of the opinion that a doctor's profession is the best."

Holt, Nixon, Crichton, Skelton, Howard, Wanklyn, Hugessen, Davis and Sheppard spoke; each debater choosing his own favourite profession.

On March the second, the motion was:

"War should be declared on Russia in order to aid Finland."

For the affirmative:—Nixon, Crichton, Holt, Lewis, Holley II (in a very promising maiden), spoke, and for the negative:—Hugessen, Skelton and Bishop.

The motion was carried.

On April the sixth:

"The orator's influence is greater than the writer's" was the subject for a rousing debate.

A very hotly contested debate on April the fourteenth was:—

"That it would be to the advantage of the United States to join the Allies now."

On May the fourth the Motion before the House was:—

"That Great Britain has won the War so far."

And on May the eleventh:

"Hitler committed a blunder in attacking Holland and Belgium."

There was a meeting of the B.C.S. D.S. in the Hooper Library on Saturday evening, April the fourteenth. The motion before the House was:—"That this Society is of the opinion that it would be to the advantage of the United States to join the Allies now."

Davis opened for the affirmative. "Should Germany win the war" he argued, "she would then have the British fleet and the United States would be the only country left to fight the world at the rate Germany is now taking over different countries." He considered that America would only have to give economic help and that there would be no need to send over vast armies.

Holt opened for the negative, maintaining that it would be to any country's disadvantage to join because it stood to lose men, ships, and money. He also stated that fear of war is fostered in American minds by politicians. He made a stirring speech.

Howard, continuing for the affirmative, said that Germany would be the sole power in Europe if she won. Possessing all Europe's resources she would then attack South America and the surrounding islands with the help of Japan. If she is winning Italy will join her. Why should not America for her own security, and the prevention of a bloody catastrophe join now while the Allies are strong? Italy would reconsider her attitude and it would give a tremendous boost to the morale of the Allies and depress the Germans. He then asked the House why America was arming so frantically and informed us that it was emphatically not fear of England, or France, or even of Japan, but of Germany and that now was the logical time to join the Allies for her own good.

Ronalds, continuing for the negative, argued that, at present the Allies were doing well and making the Germans feel uneasy; that if there ever is a likelihood of the Allies losing the United States will undoubtedly join; that America wants no part of Europe while we have all the men we need and the U.S. is supplying the needed material. He considered that there is no immediate need for America to join and that it would be of no advantage to her.

Hugessen III, in a brilliant speech for the affirmative, said, *inter alia*, that in America lies the future of all the good things in the world and that this only holds while she keeps the dictators on the other side; that he does not doubt for an instant that Britain will win. However, dictators will come back again, he said, hostility towards Russia will be prevalent and war with her is inevitable. Continuing he argued, "America is the first line of defence of democracy and the U.S. should help us to keep the first line intact. She should join us now in order to show by her attitude that she joins without provocation, for a moral purpose. Lincoln said that America fought and threw off the yoke of Britain in the cause of liberty; she should now use foresight and before it is too late stamp out the spark that will burn out the forest of liberty. If she loses something she will lose to win in the future."

Skelton, for the negative, considered that because in discipline and tradition the U.S. navy cannot compare with the British, she could not defend North America (including Canada) if she went to war in Europe. "Let her enter later if and when it is seen to be necessary; this is a time of building up for her, a time of preparation for any eventuality," he argued.

Sheppard maintained, for the affirmative, that if the United States entered now, it would look as if the Allies were losing. In spite of the gloom shrouding the outlook, he considered it weakness on the part of Germany to attack Norway and Denmark and demonstrated that she was feeling intensely the effect of the war. He argued that Italy would be of no great assistance to either side. "If America joined who would we have to arbitrate?" he queried, and gave as the answer: "Russia with all that that entails"; "We have to win the war in order to survive: it is unthinkable that we could tolerate Hitler rule," he concluded.

Nixon questioned whether America would gain any material advantage by joining the Allies and stated that if Germany won, Canada would join up with the United States. He disagreed with a statement made by *Skelton* and told the House that the U.S. navy, both in tonnage and fighting ability, was second only to Britain's.

Bishop was of the opinion that America would lose the bulk of her trade if she had not the foresight to join the Allies now; that she is suffering from her restricted trade already; that she could bring the war to an end quickly by the added impetus of throwing her weight on the Allies' side. He then pointed out, amid bursts of applause, the effect of Canada's whole hearted and united efforts in the prosecution of the war.

Jarret, in an excellent maiden, contended that America could reinforce to an amazing extent, the Allies' efforts, apart from her moral weight. He pointed out, *inter alia*, that she could relieve the Royal navy of the West Indies' patrol.

The motion was put before the House and carried.

RESURGE

When I see friendships flourishing about me,
And evidence of love on every side;
And honest comradeship seems all without me,
When I have none in whom I can confide,
I sometimes wonder, sometimes even doubt me
That I am not back-eddied by life's tide;

I feel so much alone in life: around me
I see but long and endless-stretching sands;
And fears and doubts, like breakers, ever pound me,
My mind cannot explain my heart's demands.
Then suddenly a better soul has found me,
My troubles vanish 'neath God's unseen hands;

I see that, though my very body bind me,
My muddled soul has yet to reach full age;
That I must do what Heaven has assigned me;
Alone, or helped by others, I must wage
That struggle: putting doubts and fears behind me,
I toil again, more confident, more sage.

KENNETH K. HUGESSEN.

School House

On delving back into the happenings of last term and slowly tracing events up to the present time, it is seen that School House has had, as always, a most successful year. In all activities we have held prominent positions.

During the Lent term, hockey and skiing were naturally the chief activities. Both of these were represented by School House boys in quality as well as quantity. First team hockey, which had a very good year, was composed, with two exceptions, entirely of School House boys and the skiing team, also with the exception of two, was School House material.

Work was not forgotten however, and the marks at Easter were the best Mr. Grier has known them to be. Thus much credit is due to School House boys for both working hard when they work and playing hard when they play.

The winter plague which up to now has rarely failed to visit us in some form or other, fortunately passed by without even dropping in to say "hello"; and never having enjoyed his company in particular we were more than pleased. Thus School House, happily, was almost entirely free from colds and other bed-confining diseases.

The chief occupation for most School House boys for the first part of this term was practising for the Gilbert and Sullivan opera, *Iolanthe*. After getting started on it last term, the first three weeks were spent in practising, smoothing and polishing until it was ready for the stage where it ran for two nights, when close to 700 people were loud in their praise for such a splendid performance. Usually the first few weeks of this term are a period of inactivity for the School as no sports are played, thus the Gilbert and Sullivan operas put on each year at this time have proved a godsend, not only providing something to do, but something pleasant to do.

At the time of writing, cricket is in full swing and so are the bats judging from the noise outside in the nets. It seems as popular as ever and many boys from School House can look forward to trips with the First and Under 16 teams. Tennis is fast becoming a major spring sport and this year a tennis crease has been formed for the first time. The courts have been in constant use and if rumours of a tennis team prove true, we will be able to provide some excellent material. Running has attracted a number of boys and we expect, as usual, to take most of the honors at the annual sports day at the end of the term. Boxing is voluntary, and so many of us more prudent ones are not taking part; however, a few of the tougher School House boys are taking instruction and we hope they will be successful in the competition.

The various clubs which meet each week are well attended and the majority of School House are a member of one club or another. At these, they learn everything from boat making to ways of blowing up the School, a much discussed but never attempted experiment! During the *Iolanthe* week-end, the camera club put on an excellent exhibition of photographs which was admired by all who saw it, the only drawback being from the point of School House, that it was under the auspices of Mr. Love, the house-master of Chapman's House! And to make matters worse, the best picture was taken

by a member of Chapman's House! Bravo Chapman's House! However, some of the participants were members of our own House.

Model aeroplane building has attracted several School House boys and many hours have been spent in a little room on the basement floor especially set aside for the purpose. One model has been burnt by its disgusted owner after several successful, yet many more unsuccessful, attempts. The engine, however, was saved from destruction and is now harnessed onto another plane, while the school waits patiently for another success or failure, we don't mind which, one being as spectacular as the other.

Meantime, the days are flying by and it won't be long to the end of school for another year. Two hurdles lie ahead, however, Cadet Corps inspection and the exams. With four practices a week now, the inspection ought to be passed as successfully as other years. As for the exams, perhaps no predictions should be made, but there is no reason why the marks should not be as good as at Easter.

In any case we are all looking forward to our summer holidays and hope yours are the best ever.

K. S. H.

Chapman's

As the School year draws to a close it can be looked back upon by Chapman's House boys with considerable satisfaction. Chapman's House has now completed its fourth year and the boys have no small part in the School activities. Throughout the year the prevailing spirit around the house has been one of cheerfulness and happiness. Not only has this been shown by the boys in sports but also in their work, of which the results have been most gratifying. Wanklyn I, Hanson, Cockfield, and Rowe came first in their forms, VA, VB, IVA, IVB, respectively, at Christmas and no doubt will do equally well in the exams this month.

In sports Chapman's House also acquitted itself creditably, and was represented on the first hockey team by MacTier and Macfarlane, while Wregg captained the juniors splendidly. Evans, Landry, Ramsey, MacDonald and Lindsay II also played on the junior teams. Williamson was on the first ski team and won the junior aggregate in the Eastern Townships ski meet at North Hatley.

This term Wregg, Ramsey, MacTier, all made first cricket team and Landry, Lindsay II, and Macfarlane also played on first crease, while Grav is on the Under XVI cricket team. Rowe also distinguished himself by winning the junior aggregate in the Eastern Townships track meet at Stanstead.

There have been other events in which members of Chapman's House have distinguished themselves, namely the production of "Iolanthe", in which Nicholl and Ramsey gave outstanding performances as the Lord Chancellor and Strephon respectively.

Finally we must not fail to mention that we are extremely grateful to Mr. and Mrs. Love for their kindness and generosity which have made the year much more enjoyable for all of us.

A sincere wish for the best of summers from all of Chapman's House.

N. F. M.

Williams'

Each year Williams House excels in school activities in some form or another, and this year is no exception. In hockey Palmer made the first team. Mills, Hutcheson, Stairs and Crichton enjoyed a winter of skiing. Williams won the Whittall Cup for skiing and the Eastern Township Senior aggregate. He was also the captain of the ski team.

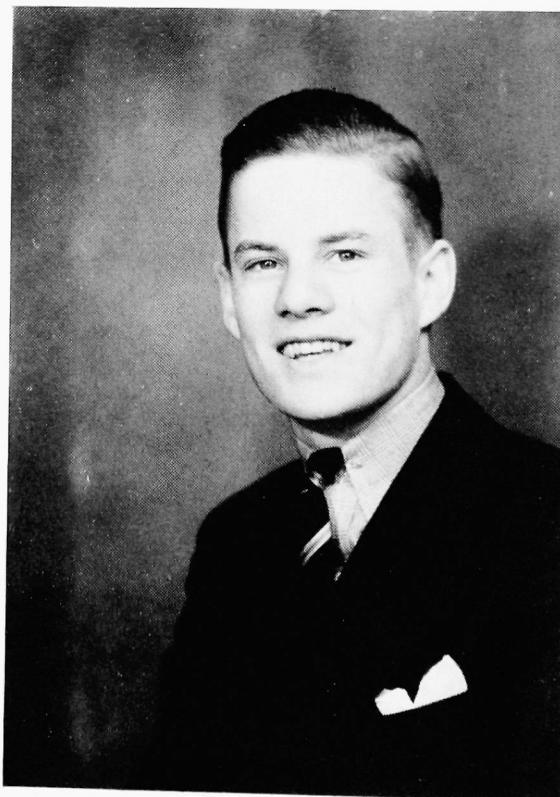

In cricket Williams House was proud to see Palmer captain of the first eleven. Stairs proved to be both an enthusiastic cricketer and tennis player.

The whole house took an active part in the production of "Iolanthe". Crichton was in the cast and the other members of the house acted as ushers.

Now as we turn our thoughts from matriculation study for a moment and look back over the closing year it is not without reason that we feel a little sad to see the year drawing to a close. We have all thoroughly enjoyed Williams House.

We all join in a sincere thanks to Mr. and Mrs. Patriquin in appreciation for the many kindnesses they have shown us throughout the year.

F. A. C.

H. E. TRENHOLME
FOOTBALL CAPTAIN

Senior Matic

"Much more profitable and gracious is doctrine by example than by rule".

DONALD JACKSON DODDS

"Dodo" came to B.C.S. from Selwyn House in the fall of 1935. He soon distinguished himself in both his studies and at sports. In his third year he was a head boy at Chapman's House, and for the past two years he has been Head Prefect. He has carried out his duties very well.

Jackson has played on all three first teams for two years, and on the hockey and football teams for three. For the past two years he has been one of the best defencemen that the School has had on its teams for ten years.

Dodo won the junior all-round championship his first two years, then the intermediate and last year the senior. This year he has a very good chance of winning the senior all-round for the second time.

This year Dodo is commander of the Cadet Corps. For his work as cadet-major he was awarded the Strathcona Medal. He is the School's boxing champion, and he won the senior aggregate at Stanstead this year. He took part in both "Iolanthe" and in "The Pirates of Penzance", and he is also a member of the choir.

Dodo has not let his athletic prowess divert his attention too much from his studies. In his "new-boy" year he led his form, and since then he has always been near the top of his class. This year Dodo is taking his senior matic. He intends to take the engineering course at Queen's next year. There we are sure that he will continue to make a success of all his activities. Good luck, Dodo !

G. W. S.

GEORGE WILLIAM STAIRS

George entered B.C.S. in the fall of '37, entering V-A where he gave a good account of himself scholastically. He took part in all sports, distinguishing himself by making midget B hockey team and by reaching the finals in the senior doubles in the tennis tournament.

Last year he again took an active interest in athletics. He won the senior doubles and was runner up in the singles in tennis. He spent most of his time on his studies and passed his matic. easily.

This year George returned for the Seventh. He has done excellently at sports, making second team football and first team hockey. Unfortunately he was unable to play tennis this term as he injured his knee during the hockey season. He is writing his senior matic. this June, and will enter McGill next fall. Best of luck, George !

C. M. W.

CHARLES MECUM WILLIAMS

Although only two years have past since "Rab" first arrived from Shawinigan Falls he has become a head boy and the captain of the ski team. Soon after his arrival it was known throughout the School that there was a true scholar in VI-B. After attaining a high average in junior matric. he returned this year to take senior matric.

In the autumn Charlie made the second football team and in the summer term he was a member of the track squad; but winter is the season when he really hits his stride. His do-or-die style in downhill and slalom, and his stamina in cross-country racing have this year won him first place in the Eastern Townships inter-scholastic ski meet and the Whittal Cup for the second time.

"Rab" has no definite plans for next year but we extend to him our very best wishes for success in whatever he may do.

D. J. D.

SKI CAPTAIN

WINNER OF THE EASTERN TOWNSHIPS
INTER-SCHOLASTIC SKI MEET.

Sixth Form Notes

COLIN DOUGLAS SEWELL

In 1933 a rather mystified young lad of ten years from Matane, made his entrance into our Preparatory school. However, he did not take long to make friends and get into the atmosphere of his new life, for in his first year he made the three first Prep teams and the choir. The following year he was elected captain of the soccer XI. Upon leaving the Prep one of his main ambitions was to make three first teams. He started right after his ambitions by getting on the first cricket team, a record for a person in the third form. In the following years he has steadily made his way to the top, until he made all three teams in 1939 and won the all-round cup. This year was a great one for Pete; for on his arrival back to school he was made a prefect. In sports he distinguished himself. He was awarded the Cleghorn Cup in football and played excellent hockey. As for Cadet Corps, Pete is officer of No. 2 platoon. Next year Pete hopes to go to R.M.C., and we all wish him the best of luck.

H. E. T.

NORMAN FYFE MACFARLANE

Mac came to B.C.S. as a new boy in the fall of '36. His first year he ranked first in his class and played on the bantam hockey team.

In his next year he topped off good performances for midgets "A" hockey and Under XVI cricket by winning the junior all-around cup.

Last year he played on the same teams and was outstanding in his class in the track meet. This year Mac turned in a fine performance as snap on the first football team and also played for the first hockey team. He is on first crease cricket and is a sergeant in the cadet corps. He is also a prefect this year and is at Chapman's House. Norm is undecided about his plans for next year, but hopes to enter McGill, and all his friends wish him the best of luck.

C. J. P. R.

CHARLES WILLIAM KENNY

"Chas." came to B.C.S. in 1932. He entered the Prep and remained there for two years. In the Prep he distinguished himself on all three teams and in his studies. In '34 he entered the Upper and went into the third form. That year he was on the second football team and was a member of the bantam hockey team, Eastern Townships' Champions. The next year Chas. again played on the second football team and was captain of the bantam hockey team.

His third year in the upper he played on the second football team and was a member of the midget hockey team, and the Under XVI cricket team. The next year he was made a headboy and was captain of the second football team. He was captain of the midget hockey team and was an officer in the cadet corps.

Last year Chas. was made a prefect and was on the first rugby team, and on the hockey team. Chas. was on the first football team this year again, where he did outstanding work on the line. He was made captain of the first hockey team. Chas. was a great help to the team throughout the season. During the summer term he has been running but concentrating on his work mostly. Chas. is expecting to go to college next year. From here on we wish him the best of luck in life.

M. S. K.

“None but the brave and beautiful can love.”—Bailey.

HARRY EDGAR TRENHOLME

Harry first entered this great seat of learning in 1934. He spent this year in the Preparatory School, where he distinguished himself by winning the all-round sports cup. During his second year in the Upper he made a name for himself by winning the “welter-weight” boxing title and by making second team rugby. The year 1937-38 was a bumper year for Harry. Besides being a head boy, he made first team football, retained his boxing title, and was captain of midgets “B” hockey team. Harry returned to the school in 1938 a prefect. He repeated his excellent play as outside on first football team, for which he was awarded the Cleghorn Cup. He was captain of second hockey team and the corporal of No. 1 platoon. In this, his last year, Harry is again a prefect and was elected captain of the first rugby team. A long sought after ambition was realized by him when he gained his first hockey team colours. Harry is also lieutenant of No. 1 platoon. His future is as yet undecided, but whatever it may be we wish him a world of luck and success.

C. D. S.

DAVID ANTHONY STUART ATKINSON

Dave's name first appeared on the School's roll call in the autumn of 1934. Little did the School realize at the time the part its new member was to play throughout the coming years. Dave was absent from the School during the year 1936-37 due to illness and on returning took up a prominent position in the School dramatics and music as he had done in the Prep. He won his weight in boxing, made many friends and took a keen interest in the Debating Society. Last year he well deserved promotion to head boy. In two productions of the Players' Club he acted excellently the leading roles and topped off the year with a splendid portrayal of the police sergeant in the *Pirates of Penzance*. This year Dave is a prefect, major of the band and president of the Players' Club for the second year. As Lord Mountararat in *Iolanthe* he once more distinguished himself in acting and singing. He sang over the radio in Sherbrooke and on several memorable occasions at the school chapel services. His wit and humour have rung in our hearts a note of cheerfulness and his numerous talents have created for him many friends.

We all wish Dave the best of luck in pursuing his interest in acting and singing.

F. A. C.

“The countenance is the portrait of the soul.”—Cicero.

FRANCIS ALBRO “CHICK” CRICHTON

Seven years ago Chick came to B.C.S. Prep. school and from that time until now, the sincerity, straightforwardness and dependability of his character, combined with his warmhearted cheering countenance, has won him a place in the hearts of all who have known him in the school life; Bishop's has profited and learned much from his example.

On his arrival, he soon won a reputation for his wholehearted participation in cricket, soccer, hockey, the choir, in short, all the activities of the Prep. school; in addition he was the prominent instigator of dramatics there. His entry into the upper marked a four year career as he grew steadily in the esteem of all and earned a reputation worthy of his name. Always active, he joined in all sports winning his weight in boxing in '38, breaking the record in the cross-country run of '36, and being promoted to captaincy of the third

football team last year. Other high points of his accomplishments included his appointment as head boy, second in command of the cadet corps and chief secretary of the debating society where he won the Grant Hall Medal for debating, last year.

This year he has admirably filled his position as prefect, and is known by all to have exercised his authority with a steady hand and fairness of judgment.

"Chick's" next goal is Harvard, and we are unanimous in wishing him every success. One who has already shown himself to be so vital and so necessary a part of the community in which he has lived, could not fail to influence and encourage all who come in contact with him, and to meet with success and happiness wherever he may be and whatever his ultimate profession.

D. A. A.

HENRY COLIN MORGAN (HARRY)

B.C.S. saw Harry for the first time in the autumn of '36 when he arrived as a new boy from Selwyn House where he had received the early part of his training, and he proceeded to distinguish himself by leading the semaphore class. For three years Harry has done really excellent work in the Players' Club and he is one of the two original members and founders of that institution still left in the school. Dramatics, together with the school magazine, take up a great deal of his time since it is by hard and fine work that Harry has worked his way from sports editor to business manager and thence to the position of general manager in which capacity he has been of great service and benefit to the school. The choir, too, will be sorry to see Harry leave for he has, for three years, lustily upheld the tenor section.

In this, his final year, Harry after rapid progress is an officer in the cadet corps, and he has carried out his position as such very capably.

Harry intends to go to McGill next year where we feel certain he will be just as successful as ever.

We all wish "Hank" the best of everything.

G. H. D.

"You must look into people as well as at them."—Chesterfield.

JAMES RONALD DOUGLAS BAYNE

Achievements in sports and academic work, though in the spotlight are not everything at school, and Ronnie, having benefitted B.C.S. with these, has distinguished himself further in being thoughtful and considerate of others, good humoured and cheerful, helpful and appreciative, and has all those other virtues that make up what we know him to be—a fine fellow!

During his fruitful years at B.C.S. Ronnie acquired the nick-name "Prec", (pronounced Fresh)—from the book of the same name, "Precious Bane". This "Prec" has stuck with him through four years of notable achievements,—fagging for "Eg" as a new kid in '36—walking off with form prizes in the same year—winning a Gym Competition—more recently a member of Special Platoon and an able performer in the Dramatic Society. Here, as in the recent success "Iolanthe" his imagination was shown to good advantage and his fine voice has been a definite asset to the choir.

With these talents and virtues, his determination and will power, we cannot see other than success for one who is such a true friend.

R. D. C.

COLIN JOHN POPE RAMSEY

John entered the Preparatory school in the fall of '34 and two years later was promoted to the upper. Before leaving the Prep he distinguished himself by winning his weight in boxing and playing on the 1st cricket team.

His first year in the upper he led his form and ever since has been near the top of his class.

While in the upper school John has played hockey for midgets and juniors. For the past two years he has been a stalwart member of 1st football crease, turning in good performances for 2nd team. Last year John played on the Under XVI cricket team, and this year he has played on 1st team in the games they have played so far this season. He has been a member of the choir for some years and this year played a major part in the light opera "Iolanthe" as Strephon. He is also a head boy at Chapman's House.

John is undecided about next year but hopes to return to take his senior matric. and we all wish him the best of luck.

N. F. M.

HERBERT SYMONDS THORNHILL

Herbie arrived as a new member of the Prep school in the autumn of 1935. During his one year before entering the upper, he made both first soccer and cricket teams, and especially distinguished himself by winning the gym competition. He followed on from the Prep by playing brilliantly for the first football team. In cricket too, he has advanced from the under XVI team to a secure position on the first eleven. Herbie has been in the choir since his arrival at B.C.S. He sang very loudly as a member of one of the choruses in each of the light operas "Pirates of Penzance" and "Iolanthe". As one of the smarter boys in the cadet corps he managed to gain his stripe as section commander. He won the position of head boy this year. As he concludes his school career, which has been so much to his credit, and such a high mark for others to aim at, we all join in wishing Herbie the best of luck at McGill.

D. W. S.

"Friendship is the Wine of Life".—Young.

ROBERT DOUGLAS COLLIER

Bob left his parents in Japan and came to the Prep in 1935. He was right wing on the famous soccer team of that year. He won several prizes for track. By virtue of hard work he skipped a class and entered the third form of the upper. During that year he spent his time fagging for "Eg".

Bob has distinguished himself in gym and cadet corps. Last year he won the medal for the best cadet and this year has two stripes. His track work has always been outstanding. He won a junior cross-country and several 440's. This year at Stanstead, Bob equalled the record and won the race for the School.

A considerate and cheerful friend and a reliable helper, Bob is respected and liked by both boys and masters in spite of K. K. K. His unstinting friendship can best be compared to port of ancient vintage.

J. R. D. B.

ANTHONY IAN MAC TIER

Tony came to the Upper school in 1936 after two very successful years in the Prep. school, during which he made all three teams. His school life has been a complete success both in work and games and the wholehearted way in which he performed his duties earned him the respect of everyone.

He shone especially in hockey and cricket, and in the former he was a substitute on first team. He is a sergeant in the cadet corps and has been a staunch member of the choir since his arrival at B.C.S. This year he was appointed to the position of head boy at Chapman House.

Tony is undecided about the future, but whether he returns to B.C.S. or goes on to McGill we all wish him every success.

A. I. S. W.

ALISTAIR IAN STUART WREGG

Alistair came to us in the fall of '37 as a new boy in the fourth. Throughout his school life Alistair has excelled in both work and sport alike, and of the latter particularly in cricket. Having made the under XVI cricket team his first year, the following year he earned himself a position on the first eleven. This year Alistair was promoted to the position of head boy at Chapman House. This season he turned in a stalwart performance for second team football, and also he captained the junior hockey team in fine style. To add to his achievements in school life, Alistair was a member of the cast of "Iolanthe". As to his future, Alistair expects to return to B.C.S. for his senior matric, but whether he returns or goes on to McGill, everybody joins in wishing him the best of luck in years to come.

A. I. M.

RICHARD HOWDEN TOMLINSON

Dick came to B.C.S. in '37 fresh from Selwyn House, and entered IV-A. In his first year he distinguished himself by making the under sixteen cricket as well as the junior ski team. In V-A he made first team cricket and senior ski team and was among the leaders of his class. This year in VI-A Dickie was made head boy and as the cricket season gets under way we will probably see him again on the cricket eleven. This winter he pursued skiing with his usual enthusiasm and was ranked as second best skier in the school.

Next year Dick plans to go to either Bishop's University or McGill and hopes to get a science scholarship to the latter college. His many friends wish him the best of luck.

B. R. H.

"Mary had a little lamb".

MURRAY SYDNEY KING

Murray came to B.C.S. nine years ago. He spent three years in the Prep. He made all three first teams. In his new boy year in the upper school Murray played on the bantam hockey team which won the Eastern Townships' championship. During the next three years he played on second football crease and spent two seasons with midgets and one with second hockey teams. Last year Murray was appointed a head boy, a position which he again capably fills this year. Next year Murray plans to take a business course and we all wish him the best of luck.

C. W. K.

GRANT HALL DAY (HAPPY)

Hap came to his, soon to be, Alma Mater, in the fall of '33 and proceeded to become one of the "upper ten" of the Prep. by acquiring a place on practically all Prep. teams.

After having done so well in this part of the School, he was received with distinct approval into this most sacred of sacreds, the upper. In his first year cricket became his forte, and the under sixteen XI benefitted by his presence, almost as much as it did the following year by his captaincy. Last year he reached the finals in the tennis doubles, and was on midget hockey for the second season, and was twelfth man on the first cricket team. During this, his final year, he has been a sub. on first team football, goaler for junior I in hockey, and, during the last two years a prominent member of the band of the cadet corps. As the cricket team for this year is as yet undecided we cannot give him that honour but if we may be allowed to predict it certainly will be given him.

Now, to crown a record which anyone would be proud to have, he is trying for a scholarship in The University of Bishop's College.

Happy—B.C.S. takes leave of you with the hope that you will do as well in future years as you have during your life within her fold.

H. C. M.

*"The lunatic, the lover, the poet
Are of imagination all compact" . . . Shakespeare.*

PETER GRATTAN HOLT

The year 1935 marked the arrival of an outstanding character within the halls of Bishop's. The wit, "je ne sais quoi"—charm, and generosity which is "P.G."s has earned him popularity and influence throughout the School. His friendship affords an intimate source of inspiration and cheer.

Since his days in the Prep. school he has played a major role in athletics and has made a rapid climb to become an indispensable member of the first football team this year; and through his skill and swiftness on skis, a valuable member of the senior ski team. In the Cadet Corps he has been appointed in charge of the colour party. For change of occupation, "P.G." turns to debating, where he is a secretary of the society and has shown himself to be an enthusiastic and forceful debater.

As this year's head boy in "B Dorm", the strong impulsive "P.G." is rather beloved than esteemed by the boys, and the influence of finer qualities take effect. After matriculation, what the immediate future will bring is uncertain, but "P.G.'s" ideas combined with his ambitions and ability to write, are bound, ultimately to arrive at a successful end. His character and charm will always be an asset to him and a delight to his friends.

EDWARD HERRICK KNATCHBUL-HUGESSEN

D. A. A.

"Hugie" came to B.C.S. in 1933 and spent three years in the preparatory school. He made all three teams in the prep. and was captain of the soccer team. He spent his first year in the Upper school in IV-A and continued to excel in work and games. The following year Hugie went to Eton College, England, and he returned to us in 1939 to enter the sixth form as a Senior. He made the senior ski team and admirably supported the School in all the meets. He was in the cast of the musical comedy "Iolanthe" and played a principal part excellently. Hugie retains a high position in the sixth form and

he is writing his matriculation this year. Next year he expects to go to McGill and the school will be losing a very valuable member. We all wish him the very best of luck in the future.

W. McK. P.

DENIS WEBB STAIRS

Denis joined B.C.S. three years ago when he entered the fourth form from Selwyn House. Here he has distinguished himself both in sports and studies.

He participated in football, boxing, hockey, skiing, tennis and cricket. Although he has not been as aggressive in some as in others, he has managed to make the midget hockey team, third football team and the first cricket eleven. Next to the ski team, Denis ranks as the school's number two skier. Last year he was runner up in the junior tennis competition and—from my experiences with him—stands a fine chance of doing equally well, or even better this year in the senior. As for boxing, I think it is best just to say that he entered the competition!

The cadet corps has also profited by Denis' attendance. Last year he placed very high in Mr. Fisher's estimation as a private and this year he is found at the head of a section.

Denis works just as hard as he plays and since his entry into the School has always held that much coveted position of first place, even though he has had the great draw back of spending the better part of a term in the infirmary. This year he has taken two extra subjects in his stride, making himself eligible for an arts as well as a science matric.

Thus Denis has had a two-way successful B.C.S. career and by so doing has taken a big step up the ladder. Into whichever line he goes, upon his entry into McGill, we extend to him our wishes for similar future successes.

H. S. T.

WALTER MCKINNON PALMER. To his friends (and he has many)—“Wog”.

He came to the school in September, 1938, entering V-A. At hockey, on the midget “A” team, he played with such distinction during his first year here that this year he started on first crease, and subsequently made the team. At cricket his record has been even brighter; he achieved the triumph of making first team while still a new boy, and this year he has captained the team with vigour and success, backed by the approval of all at his appointment to a position for which he is so eminently suited. Last year, also, he won the junior tennis singles in the face of severe competition, a worthy feat, and he has every chance of duplicating his performance in the senior class.

Wog is taking his matriculation this June, and expects to go to McGill in the autumn, where, no doubt, he will carry on his scholastic activities with as much distinction as he did here. Here's wishing him the best of luck.

E. K-H.

BELLENDEAN RAND HUTCHESON

“Hutch” came to Bishop's in the fall, 1938, from Cairo, Illinois, where he had been attending the local high school. He entered V-B where he took first honours last year, and as a result was promoted to VI-A this year, and made a senior. In sports “Hutch” has made 2nd team football, won his weight at boxing and is an excellent marksman, the best in the school. This term he has taken to track and tennis and is at present working very hard to pass his entrance examinations for Northwestern University, to which he intends to go next year.

R. H. T.

"Men naturally warm and heady are transported with the greatest flush of good nature".—Addison.

RANDOLPH CLAY EATON

"Randy" made his appearance at Bishop's in '36, and during his four year term at the School he has made a name for himself through his prowess in sports. He has been an indispensable member of the first football team for three years, and would have also entered his third year in the first hockey team had he not been suffering from a broken back. He has also exhibited unusual ability as a heavyweight in boxing, at skiing and at tennis. An excellent "shot" he won the third and fourth form shooting competitions.

In the cadet corps, a member of the band, for two years now, he gained widespread fame through his rousing and zestful interpolations on the bass drum.

"Randy" is heading for Harvard, and we could not but wish this jovial Bostonite the very best in whatever his pursuits.

D. A. A.

PAUL SYDENHAM HANINGTON LINDSAY

Paul entered B.C.S. Prep. in 1934. There he was extremely successful in his studies and in his last year was in a form composed of himself and only two other boys owing to his especial brightness.

He did well in the sporting line too, playing for both first soccer and cricket teams during his final year in the Prep. In this year he also won the cricket ball throw.

In 1936 he came into the Upper school and completed his new boy year successfully. During 1939 he was a member of the under sixteen cricket XI. He won the cricket ball throw this year also.

At present he is a member of the second cricket team and we believe he will win the cricket ball throw once more.

Throughout his school career he has been a member of the choir and his booming bass voice may be heard any Sunday upholding the bass section of that most distinguished institution.

In closing we may say that Paul hopes to enter McGill next year to study chemical engineering and we all wish him the very best in this, his chosen future.

P. G. H.

GEORGE DEREK GIBSONE

This is Gibbie's fifth year with us. Entering the Prep. school Gib got off to a good start by making the hockey team and also by becoming a member of the choir. He is a keen participant in all sports, rising from the fifth rugby team to alternate inside on the first team. Gib is an enthusiastic tennis player, and last year he and his partner won the School's senior doubles title. This is Gibbie's fourth year on the magazine staff being form editor for two, exchange editor last year, and this year being one of the business managers. Gib played defence on the junior hockey team. Gib is leaving us this year and is expecting to go to college next year. From here on we wish him the best of luck.

J. A. S. P.

JOHN ARTHUR STEWART PENNY

Three years ago John came to us from Westmount High. Unable to play rugby, John turned his talents to hockey. His first year he played goaler on midgets' hockey team and last year he played alternate goaler for first team. This year he achieved his ambition by holding down the regular position. He has been a keen cricketer, making the second team last year, but this year he felt that he should devote his time to studies. John is leaving us this year and he hopes to enter McGill next fall. We will all miss him and we are sure that he will succeed in whatever he turns to. This year he was promoted to the rank of lance-corporal in the Cadet corps.

G. D. G.

CEDRIC ARTHUR WINSER

Cedric came to B.C.S. in the momentous year of 1937. He quickly demonstrated his ability in gym by winning the Martin cup for best all-round improvement in gymnastic work. In his second year, Cedric led a very diversified life and took part in all games. During the third year, Cedric was a ranking member of third team and an ardent supporter of the ski crease and track squad.

Cedric's plans for the future are undecided, but we all unite in wishing him the best of luck wherever life's destinies may lead him.

G. H. S. M.

GEORGE HAMPDEN STANLEY MILLS

Sandy came to B.C.S. from Selwyn House in the fall of '37. He quickly distinguished himself in school work and at mid term was promoted from IV-B to IV-A. Sandy also showed his ability in boxing and succeeded in being a runner up in his weight. In 1938 his services were conscripted to back up the cast of a witty play named "The Rehearsal", produced by Mr. Grier. He succeeded in making the second cricket XI. This year he played first crease football and during the winter term he turned his attentions to skiing with good results. In the last term Sandy was frequently seen carrying studious books under his arm. We take this as a sign that he intends to go to college and all unite in wishing him the best of luck.

C. A. W.

Omitted from last year's Sixth—

JOSEPH WALLACE MORELAND (HAPPY)

The Magazine feels that it owes to "Happy" this addenda to the sixth form "write-ups", because of the fact that last year when he was in this honoured class his achievements were somehow left out of the Magazine. As Tennyson wrote:—" . . . someone had blundered."

Owing to the fact that he is not here it is rather hard to give him the credit he deserves as many of his achievements will be left unrecorded. However, we do feel that at least we may repay partially that terrific mistake. He joined in every sport and activity offered him and his value to the School cannot be too highly acclaimed. He rose to the position of Sergeant of No. 4 Platoon in the Cadet Corps and showed up excellently on the first hockey team of that season.

He ranked among the best that have graduated from the School and is, as far as we know, doing excellently at McGill. Keep it up, Hap.

ANON.

Five - A Notes

BISHOP—Bill played 2nd crease rugby, tyros hockey and stands out at track. He is a senior and quite a tough one too, we hear (pretty nice, eh, Bill!). He is taking part of his matric. this June and we all wish him the best of luck. He has done a lot of work and is a section commander in the cadet corps.

BLACKLOCK. John is another senior. His work is still slow and steady and we expect quite a mark in June. He played 2nd crease rugby, skied and was a member of 1st and 2nd cricket creases. He was assistant business manager for "Iolanthe".

GRAV—Swede was on under XV rugby team, skied, and played under XVI cricket. He is writing his Geometry and Latin matrics. and we wish him lots of luck. He spent most of the term reading "Gone with the wind" and has been acting accordingly.

DOYLE—Mike is another senior this year and has made quite a name for himself. He was on 2nd team rugby, unable to play hockey due to illness and on 2nd crease cricket. He is also working very hard and besides being in "Iolanthe", was a member of special platoon and a corporal in the cadet corps.

HODGSON—Butch is also a senior this year, and we understand, the terror of the new kids. He is doing a lot of work and should get his maths. and Latin matrics this June. He was on 2nd crease rugby and juniors II hockey team. He is also a member of the tennis crease.

HOLLEY I—Sherman, a neutral this year, has taken part in many of the form activities. He has been getting very good marks and is a contributor to the school's literary efforts. He played Tyros hockey and 2nd crease cricket. He is also an ardent Republican (up Dewey, Eh, Sherm!).

HUGESSEN II—Hugie was a staunch member of under XV rugby team, and a bulwark of strength on Orphans' hockey team. He is also on the track crease but has been very secretive about his records. He has received uniformly good marks all year and will write his matric. A peer in "Iolanthe", he is also a literary genius.

HOWARD I—Ken is a head boy this year and is still a high ranker in his class. He played 2nd crease rugby and was the only V-A member of 1st hockey team. On 2nd crease cricket, and a corporal in the Cadet Corps, he was a peer in "Iolanthe". We expect him to get part of his matric this year with flying honours.

LANDRY—Herky has gained a fighting reputation this year. Played under XV and 2nd crease rugby and is a member of 1st cricket crease. He was also on Juniors II hockey team and is captain of Under XVI cricket. He will probably get his maths matric this year (if he doesn't the examiner had better watch out, Eh, Herky !). He was also a scene painter in "Iolanthe".

LINDSAY II—Sabu is a neutral this year (and how), and has distinguished himself in the sports field. He was a member of 2nd crease rugby, Juniors II hockey and is a member of under XVI cricket team. A peer in "Iolanthe", he is also in the choir.

MAC TIER II—Dick does more work on the sly than Joey Nixon (and that's something).

Playing 2nd crease rugby, he was a member of Juniors I hockey team and had the highest scoring average. He is out to get his maths. and Latin matrics, and judging from present appearances, he can't very well fail.

McCONNELL—Mac, a neutral this year, has done good work throughout the year and should get his maths. matric. He played under XV rugby and Juniors II hockey. He is a member of Mr. Cooper's tennis crease (quite an honour in itself). He is a camera fan and had several pictures in the exhibition. He was a peer in "Iolanthe".

McCUAIG—Eric is a senior this year, but has not been very tough on the new kids. He is still a good worker when he gets warmed up and should get part of his matric. this year. He was on 2nd crease rugby, a staunch member of the ski team and a member of 1st crease cricket.

NICHOLL—Slug, the form poet, has been able to take time out of his literary pursuits to rank high in classwork. He played Under XV rugby, skied, and played Under XVI cricket. He is one of the best drummers in the band. Played a very good Falstaff in the short plays at the beginning of the year and was a very fine Lord Chancellor, getting encore after encore in "Iolanthe". He is also a member of the choir.

NIXON—Joe has had a very successful year; he proved invaluable to the rugby team. He is an ardent skier but was unable to do much due to illness. He plays 2nd crease cricket. In spite of all this, his work has not suffered and we wish him the best of luck in this maths. and Latin. He has attained the rank of head boy. He is also a section commander in the Cadet Corps.

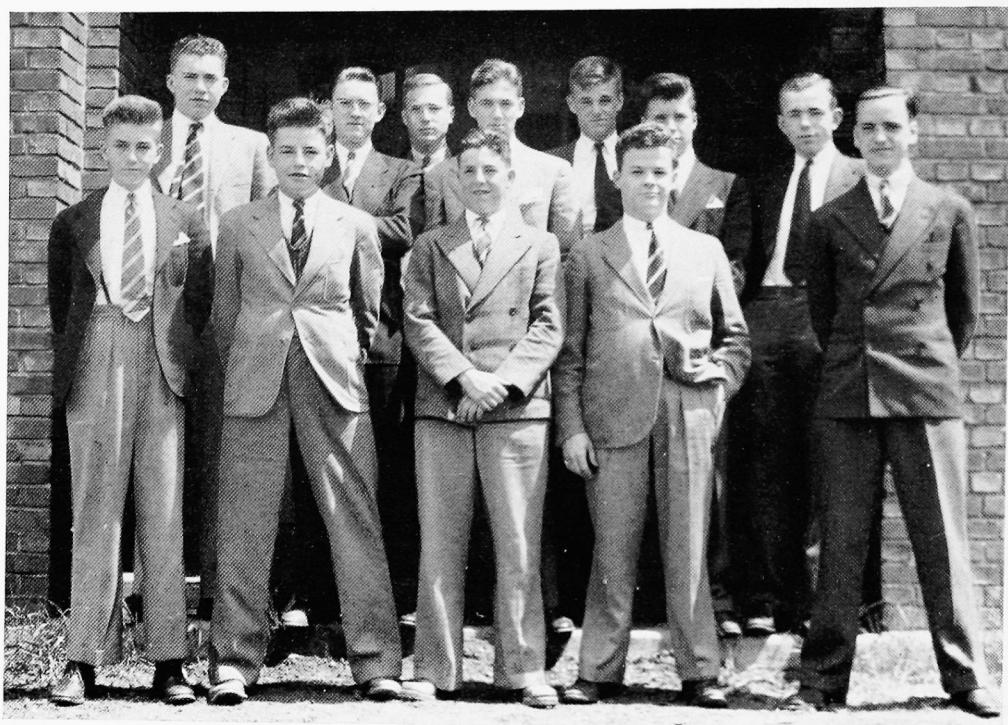

RONALDS—Leigh is the form new boy. He was promoted from V-B to V-A and has continued to do good work. He was a member of 1st rugby crease, junior II hockey and this spring he is on 2nd crease cricket. His pet aggravation is the scrub team.

WALSH—Fos is one of these very tough neutrals. He has been working in some of his spare time and should get good marks. He played Orphans' hockey, under XV rugby and 2nd and Under XVI cricket. He was a peer in "Iolanthe".

WANKLYN—Wank was on Under XV rugby team, skied and plays tennis. He ranks first in the form and is a genius at doing the least work and getting the highest marks (teach us the trick sometime, will you, Wank). He was a peer in "Iolanthe" and is a member of the choir.

F. S. H. and K.W.K.H.

Five-B Form Notes

Well, another year has passed away, and following the usual Five "B" trend of originality we've decided to pass over the usual type of form note and concentrate on the single idea—for which we are told, reporters and journalists die—that of pleasing the public and with this idea in mind we've held lengthy debates on the best way it could be done, finally, by a stroke of luck we've hit on the very thing—our picture. By simply looking at the top of the page one can quite plainly see staring at him, features in which intelligence and honesty are combined with true sporting natures and exceptional good looks.

Need we say more?

R. S. K., R. R. P.

Four-A Form Notes

D. CHURCHILL-SMITH; made 2nd crease football, and played on Juniors I hockey team. He is on the Under XVI cricket crease. He is in the choir, and was a fairy in "Iolanthe".

R. COCKFIELD; played on 3rd crease football, and was the goaler for the bantams. He is also on the Under XVI cricket crease. He has been chosen to be on the Special Squad. In "Iolanthe" he played the part of a Peer.

S. DAY; was unable to play football, having broken his arm at the beginning of the season. He was on the "Tyros" hockey team, and he is now on the Under XVI crease.

S. DODDS; played on the Bantams, and is on the 4th cricket crease. He is in the choir, and he was a fairy in "Iolanthe".

J. DOHAN; was on 3rd crease football. He took skiing instead of hockey, and he made the Junior ski team. He plays on the Under XVI cricket crease. He was a stage-hand for "Iolanthe".

P. ESTIN; missed football as he came into the Upper at mid-term. He took skiing rather than hockey, and made the Junior ski team. He plays cricket on 3rd crease. He is in the choir, and he took the part of Iolanthe in "Iolanthe".

T. EVANS; made the Under XVI football team, and was right wing on the Junior I hockey team. He prefers tennis to cricket, so he is on the tennis crease.

A. FINLEY; played on 3rd football crease, and also on the Bantam hockey team. He is now on the Under XVI cricket crease. He is in the choir, and he played the part of Phyllis in "Iolanthe".

G. HOWARD; was on the 3rd football crease, and was goaler for the Junior II hockey team. He is on the Under XVI cricket crease, and seems to be a very promising cricketer. He is in the choir and was a Peer in "Iolanthe".

J. HOLLEY; was on 3rd crease football, and took skiing instead of hockey. He is on 3rd cricket crease. He is in the choir.

A. K-HUGESSEN; played on 3rd crease football, and made the Junior ski team. He is now on the Under XVI cricket crease. He is in the choir, and took the part of Celia in "Iolanthe".

G. HUGGETT; was on the 3rd football crease. He was on the ski crease. He is on the 4th cricket crease.

J. JARRETT; missed the first term. He was learning to skate last term, and he played a little for Tyros. He has been put in charge of the First XI equipment.

T. KER; played on 3rd football crease, and made the Bantams. He is on the 3rd cricket crease. He is in the choir, and he played the part of Leila in "Iolanthe".

L. LEMIEUX; played on the Under XVI football team, and also on the Junior I hockey team. He plays wicket-keeper on the Under XVI crease. He was a stage-hand for "Iolanthe".

G. MACDONALD; was on the 3rd football crease, and on the Bantam hockey team. He plays on the Under XVI cricket crease. He is in the choir and was a Peer in "Iolanthe".

D. McLIMONT; played on the 3rd football crease, and on the Bantams. He is on the Under XVI cricket crease. He was switch-box operator for "Iolanthe", and is on the Special Squad.

R. McMASTER; was on the 3rd football crease, and played hockey on Junior I. He is on the Under XVI cricket crease, and he sings in the choir.

W. PITFIELD; was on the 3rd football crease, and on Junior I. He plays on the Under XVI cricket crease and he is in the choir.

G. SCOTT; played on 3rd crease football. He skied the first part of last term, then changed over to the Bantam crease. He plays cricket on the 3rd crease. He is in the choir, and was a fairy in "Iolanthe".

J. SHUTER; was on the 3rd football crease, and on the Bantam hockey team. He plays cricket on the 2nd crease. He is also on the Special squad.

C. STAIRS; played football on 3rd crease, and took skiing instead of hockey. He is on the Under XVI cricket crease.

R. STAIRS; played on the 3rd football crease, and skied during the winter. This term he is on the 3rd cricket crease.

C. WANKLYN; was on 3rd football crease, and took skiing last term. He plays cricket on 3rd crease. He sings in the choir and was a fairy in "Iolanthe".

Third Form Notes

This, our form, is the smallest it has been for many years. C. Shapiro, D. Lorimer, J. Lewis, R. Fallon and S. Boyle comprise this small but efficient form.

STUDIES

In some subjects we have been making excellent progress due to our small size. Marks have been very good in the Easter and Christmas exams. Everybody is expected to pass their final exams.

SPORTS

Football—Three boys made fifth football team, thus making a showing for the form.

Hockey—Two representatives from this form were on Orphan's hockey team, while the remaining boys took skiing.

Cricket—One boy is on the under XVI cricket crease and has good chances for the under XVI team. The remaining four are on the fifth crease.

CADET CORPS

We are all recruits, though some day one or two of us may be carrying a sword.

IOLANTHE

Three representatives from this form took part in the Opera which the School put on in the School Theatre.

Back Row: P. G. HOLT, C. G. M. GRIER, ESQ. D. F. WILLIAMSON.

Front Row: E. H. K-HUGESSEN, C. M. WILLIAMS, (Capt.), R. H. TOMLINSON, E. T. PATTON.

SKI NOTES — 1940

In many respects this year has been the greatest skiing year the school has ever had. The crease numbered about twenty-five strong, being the largest skiing crease yet, and met under the charge of Charlie Williams every day at the kilometer.

After various try-out runs two teams of six were chosen from the crease. The senior team was:—Williams, Tomlinson, Holt, McCuaig, Patton, Hugessen I; and the junior (under 15) team was:—Williamson, Dohan, Hugessen III, Lorimer, Estin, Christie.

At the inter-scholastic meet at North Hatley each of these teams won the prize for the highest team total. In the senior events Williams ranked first in the slalom, first in the cross-country, and first in highest individual score. In the junior events Williamson ranked first in the highest individual score.

Later in the season a team composed of:—Williams, Holt, McCuaig, Williamson, and Hugessen I, went to compete at Ste. Marguerite. Williams, who ranked third in total score, was the most worthy of note.

The Whittall cup competitions for the best all round skier in the school were run off at Hatley. This year they were not open to members of the ski teams. The conditions were excellent and both senior and junior slalom and downhill races were run off in one day, with the help of Mr. Cross and Mr. Grier. The winners in the senior class were:—1st Nixon, 2nd Stairs II, and in the junior class:—1st Hollingum, 2nd Macdonald II.

D. I. W.

Back Row: R. B. CHRISTIE, C. G. M. GRIER, ESQ. J. T. DOHAN.
Front Row: P. G. ESTIN, D. F. WILLIAMSON, (Capt.), D. G. LORIMER, A. K. HUGESSEN.

Hockey Foreword

On the first day of the present school year, the Headmaster appealed to the boys to "carry on", as their share of maintaining the morale of our nation at war. We do not hesitate to offer the past winter term as an example of the School's willingness and ability to do so. Much of this spirit is not apparent to the outsider. True, our teams displayed to fine advantage in winning the Ashbury Old Boys' Cup and the sectional Bantam title in the Q.A.H.A. Behind the scenes, however, day after day, was a generous, willing co-operation which made possible not only this year's good teams, but, we firmly believe, a sounder basis for School hockey in years to come. Hard work, generosity and self control were three conspicuous virtues of the great majority who wore the School colours in 1940—either in games or in practice.

Scarcity of League competition was a serious disadvantage to the younger players. This was only partially overcome by the belated reorganization of the Bantam League, Q.A.H.A., and our entry of a single team in the county Junior H.S. League. "Midgets" thus ceased to operate, and it was with the greatest difficulty that we secured a few exhibition games for Second Juniors. Most of the latter worked faithfully and improved enough to make us optimistic about next year's prospects. Their turn will come, then, and those who "stuck" uncomplainingly have the School's appreciation.

The Prep's winning of the Bantam title, their third Q.A.H.A. title in a row, was a notable achievement for both players and coach. At the first of the season only one of last year's squad was left in the Prep. Their win and tie in the crucial series with St. Pat's demonstrated their real quality.

A few of the season's highlights must be recorded. We shall long remember the amazing and frequent spectacle of First Team Captain and four fellow-prefects on the scrapers so that we might finish four half-holiday games before supper! First Team prefects handled the Junior and Bantam games well and efficiently. There was reliable and cheerful assistance to be had from seniors, neutrals and new boys with stop watch, score sheet, scraper and shovel, while the New Kid cleaning squad never functioned so well. "Alf" had valuable assistance from numerous voluntary workers who enabled us to have fresh ice for almost every game. The outdoor rink proved to be a great boon to Upper and Prep alike.

Of First Team, much could be said did space permit. They went through an exceptionally busy schedule which had more games than any year in the past dozen, finished on top of the Juvenile Q.A.H.A. league against strong competition, and had enough to spare to conduct a very satisfactory "Ten Cent League" without outside assistance. It is only fair to record a sincere vote of appreciation to Captain Charlie Kenny, whose leadership was signal outstanding; to Dodds, who completed two years of brilliant, penalty-less, untiring hockey at right defence, and to G. M. "Gerry" Wiggett, that most enthusiastic Old Boy whose patience, fine sportsmanship and unfailing interest will long be remembered by all who have been associated with him.

Hockey

RECORD OF FIRST TEAM, 1939-1940

Exhibition Games

Jan.	17—B.C.S. vs. St. Pat's Academy	Tied	4-4
	20—B.C.S. vs. U.B.C.	Lost	4-6
	24—B.C.S. vs. Johnville H. C.	Won	12-4
	27—B.C.S. vs. Stanstead College	Won	6-2
	29—B.C.S. vs. Sherbrooke Tech.	Won	14-1
Feb.	3—B.C.S. vs. Old Boys	Won	8-1
	4—B.C.S. vs. Old Boys	Lost	10-5
	7—B.C.S. vs. Sherbrooke H.S.	Won	5-0
	21—B.C.S. vs. Lennoxville H. S.	Won	14-1
	24—B.C.S. vs. U.B.C.	Tied	6-6

Ashbury Old Boys' Cup Games

Feb.	10—B.C.S. vs. Ashbury College	Won	7-6
	17—B.C.S. vs. Lower Canada College	Won	8-0

Q.A.H.A. Juvenile League Games

Feb.	5—B.C.S. vs. St. Pat's Juveniles	Won	7-1
	12—B.C.S. vs. Sherbrooke Canadiens	Lost	6-4
	23—B.C.S. vs. St. Pat's Juveniles	Won	3-1
	26—B.C.S. vs. Sherbrooke Canadiens	Won	5-2

Q.A.H.A. Juvenile Playoff

Mar.	6—B.C.S. vs. Sherbrooke Canadiens (20 minutes overtime).	Lost	2-1

Summary of Games

Games Won—11; Games Lost—4; Games Tied—2.
Goals Scored—113; Goals Against—53.

C. W. KENNY
CAPTAIN OF HOCKEY

FIRST TEAM WRITE-UP

C. KENNY, captain and centre. Charlie's 19 goals and 32 assists for a total of 51 scoring points indicates to some extent the inspiring leadership of this year's captain. Chas. worked like a Trojan, spent a near minimum of time in the long-box, and gave generously of himself in any capacity required. We don't expect to get better captains than this boy from Buckingham.

C. D. SEWELL, left wing: 28 goals, 19 assists, 47 points. Pete was moved up to left wing from defence. His scoring record indicates the success of this move. Scoring the most goals, being one of the hardest backcheckers on the team and spending less time in the penalty box than last year, marked the bright spots of his brilliant season.

D. SETON, right wing: 22 goals, 18 assists, 40 points. Dave, showing 100% improvement over last year, when he played for midgets, was a consistent scorer, scoring the second to most goals on the team. Although a natural left winger, he fitted in at right wing very well. Dave should be a great asset to the team next season.

D. J. DODDS, defence: 18 goals, 16 assists, 34 points. A remarkable scoring record for a defenceman. Dodo continued his brilliant two-way playing, which had last year won him a position among the school's all time "greats". Weighing close to two hundred pounds and being well over six feet tall, he was very fast and had by far the hardest shot on the team, besides having failed to draw a single penalty throughout the season.

I. L. SEWELL, defence: 3 goals, 7 assists, 10 points. Ian made the jump from midgets to a regular position on the first team defence, which was a new position for him. A heady player, whose sweepcheck saved many a goal and whose fine rushes were the spear head to many a victory.

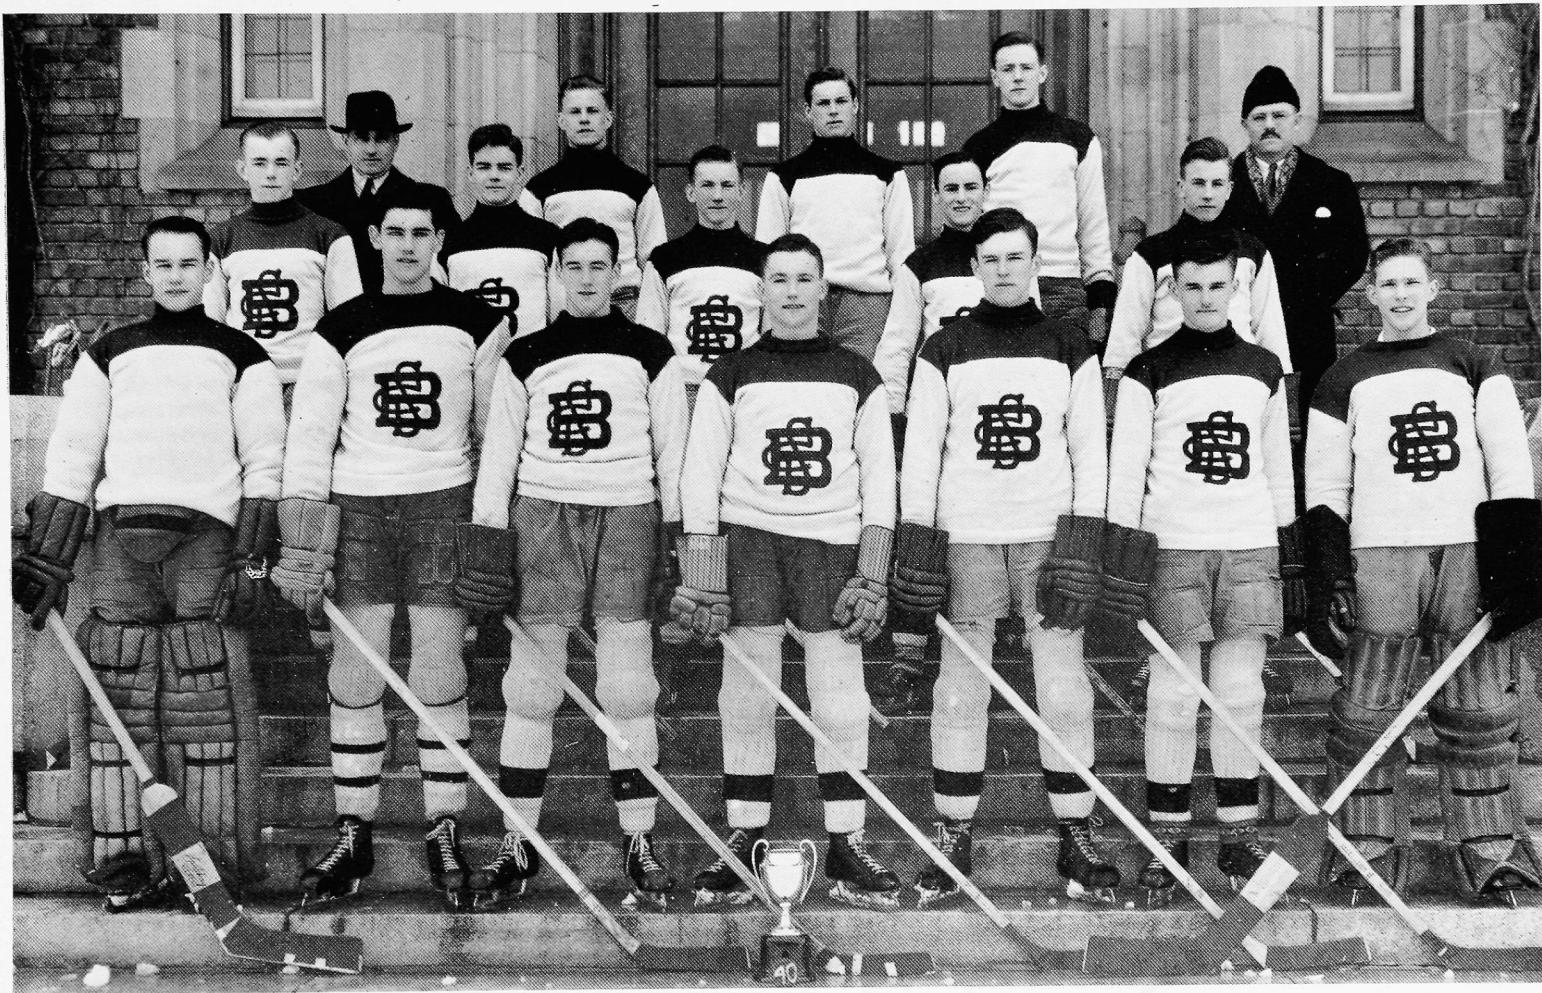

G. STAIRS, centre: 6 goals, 3 assists, 9 points. George showed the most improvement throughout the season. A hard worker, he developed speed and science as the season went on, his chief asset being in his ability to disorganize the opposition.

W. PALMER, 3 goals, 3 assists, 6 points. What Woggie lacked in weight he more than made up for with his fighting spirit. Being a natural left winger he was playing at a disadvantage on the other lane; however, he was a constant threat and marked his man with cunning skill.

K. HOWARD, 4 goals, 4 assists, 8 points. Ken played at left wing on the "Kid" line. His lack of speed was overshadowed by his playmaking ability. Ken was very steady and should be a big help to the team next season.

J. PENNY, goal: John surprised all by showing such improvement over last season. Displaying remarkable coolness under fire, and his goal average of 2.13 per game, showed that if the team had a weakness it was not between the posts.

FIRST TEAM HOCKEY

Back Row: G. M. WIGGETT, ESQ., H. E. TRENHOLME, N. F. MACFARLANE, A. I. MACTIER, C. G. M. GRIER, ESQ.

Centre Row: B. F. LYNN, K. S. HOWARD, G. W. STAIRS, W. MCK. PALMER, N. S. FISHER,

Front Row: V. A. MURRAY, D. J. DODDS, D. C. SETON, C. W. KENNY, (Capt.), C. D. SEWELL, I. L. SEWELL, J. PENNY.

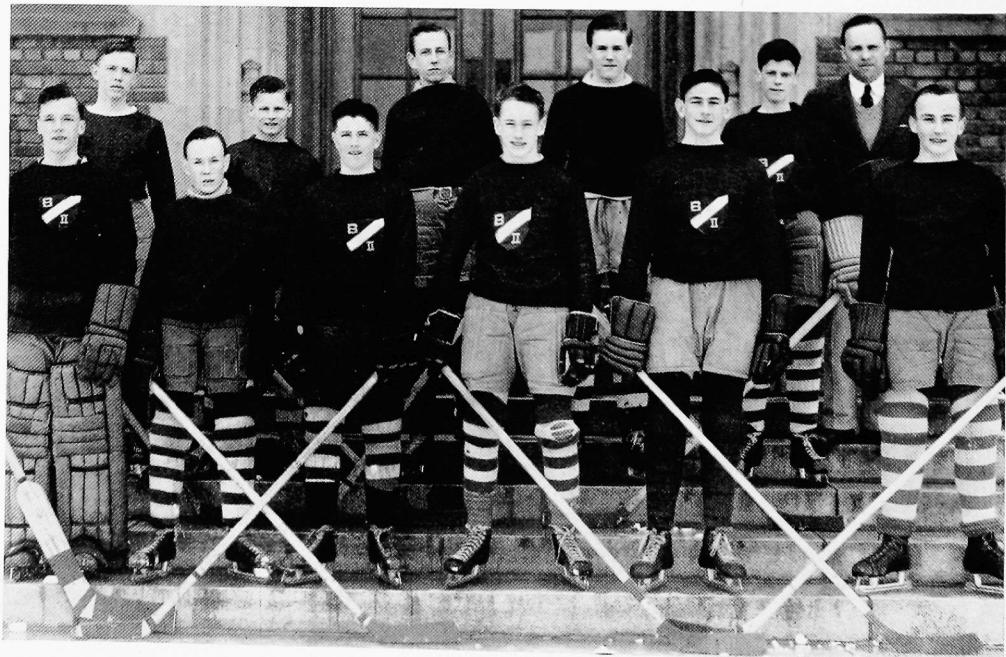

H. TRENHOLME, B. LYNN, sub defence: Harry and Bryan acted as substitutes to an exceptionally strong defence and thus did not see very much action; however, when on the ice they did a capable job, and with a little more experience should prove first class defencemen.

A. MAC TIER, N. MAC FARLANE, E. FISHER, M. KING, sub forwards. Amongst them they contributed 16 scoring points. This quartet was not used as much as the other two lines, but when called upon they were always ready and it was gratifying to know that such able substitutes were available when needed.

V. MURRAY, sub goal: Vern moved up from the junior squad partway through the season, and with his experience in six games this year he should develop into a capable goalie next season.

I would like to take this opportunity on behalf of the first hockey team to express our gratitude for the splendid coaching we again received this year from Mr. Wiggett. We all wish Gerry the best of luck in future years.

C.W.K.

Back Row: L. LEMIEUX, R. McMASTER, T. EVANS, E. S. MACTIER, W. C. PITFIELD, J. G. PATRIQUIN, ESQ.
Front Row: G. H. DAY, D. CHURCHILL-SMITH, L. DAVIS, A. I. S. WREGG, Capt., H. D. SHEPPARD, V. HARDING.

Absent: J. LINDSAY.

B.C.S. DRAWS AGAINST ST. PATRICKS JUNIORS, 4-4

Jan. 17th, 1940—

In the first match of the season B.C.S. came out all even against St. Patricks in an overtime game. In the first period it looked as if St. Pat's would have the upper hand as they scored three goals to the School's none.

In the second frame Dodds scored for the School, while our opponents seized their final goal.

During the third period Sewell I, Sewell II, and Seton picked up the points for B.C.S. equalizing the score.

One overtime period was played, but neither side was able to break through the other's stonewall defence to score.

On the whole the game was very fast and exciting, displaying good teamwork on both sides.

St. Patricks:—Goal, Dupont; defence, Blue, Meagher; centre, Hibbard; wings, Blais, Allaire; alt. Gagnon, Rousseau, Fuller, Langlois, Lebrun, Veilleux.

B.C.S. SMASHES JOHNVILLE, 12-4

Jan. 24th, 1940—

In a match in which our opponents were badly out-manoeuvred, B.C.S. won its first victory of the season by a score of 12-4.

In the first period the enemy scored twice while Seton accounted for two of the School's numerous goals and Dodds for one.

The second period was faster than the first, even though there were not as many goals scored as in the first. Johnville managed to sneak away with one goal as Kenny added two more onto the School's scoring list and Sewell I captured another.

During the final frame of the game Sewell I scored four of the School's goals while Kenny and Seton accounted for one each.

The game was extremely one-sided however, as the School team was much the heavier and much the faster.

Johnville:—Goal, Cote; defence, S. Cote, R. Bouton; centre, J. Beder; wings, M. Veanasse, R. Turcotte; alt. P. Veanasse, G. Turcotte, G. Beder, Asselin.

B.C.S. LOSES TO COLLEGE SENIORS, 6-4

B.C.S. bowed to their old rivals, the College Seniors, to the tune of 6-4, in a very exciting match. The younger School team put up a game fight, however, and had their elders at their mercy time and time again, but they just couldn't get the puck into the net.

The College took an early 2-0 lead, but before the first period was over B.C.S. had made it 3-2 for themselves.

In the second period the College marked up three goals to the School's none, making the score 5-3 in favour of the College.

The third period saw each team score only once, making the final score 6-4 for the College Seniors.

Seton led the School's scorers with two goals and an assist. Next were Kenny with one goal and two assists, and Sewell I with one goal. Dodds and Sewell II each picked up an assist also.

B.C.S. DEFEATS STANSTEAD, 6-2

The School defeated Stanstead College, their old rivals, 6-2, in a keenly fought match. In the very fast game it was the School's smooth team-work that brought them victory.

In the first period the play was very even, with Stanstead scoring the only goal.

In the second period B.C.S. scored two goals, making the score 2-1 in the School's

favour.

The last frame saw B.C.S. score four goals to Stanstead's one.

The game was very even, and also very exciting as tempers flared from time to time, but any idea of a fight was quickly dispelled by the referee. The School's scorers were led by Dave Seton with four goals. Next came Dodds and Sewell I with a goal and an assist each. Kenny also picked up an assist.

B.C.S. DOWNS SHERBROOKE TECH. 14-1

Jan. 29th, 1940—

In a one-sided match against Sherbrooke Tech., B.C.S. smashed its way to another victory to the tune of 14-1. The School's heavier team gave it the advantage throughout, but on the whole the game was very fast and very exciting.

Sherbrooke Tech. drew first blood by scoring their only goal of the game in the first period. During this time Kenny scored twice and Sewell II once for the School.

In the second frame Howard, Sewell I, Kenny, Dodds, and Stairs chalked up one goal apiece for the School.

In the third period the B.C.S. scorers were Dodds, Fisher, King and Trenholme.

Sherbrooke Tech.—Goal, Debellefeuille; defence, Mercier, Jervais; centre, Begin; wings, Aube, R. Mercier; alt. Nutbrown, Renault, Welles

SCHOOL TRIMS OLD BOYS 8-1

Feb. 3rd, 1940—

The School defeated the Old Boys 8-1 in their annual game. Displaying too much speed and power for the vets, the School opened with four goals in the first and continued with two in each of the second and third frames.

Pete Sewell had two goals while Seton and Kenny had one goal and three assists each. Dodds and Fisher each had one goal and one assist. The other two goals were scored by King and Ian Sewell. Finley counted the loan Old Boys' goal.

OLD BOYS GAIN REVENGE WITH 10-5 WIN

Feb. 4th, 1940—

Playing a re-inforced Old Boys' team, a tired School team, minus the services of Dodds, B.C.S. lost 10-5. "Moon" Molson starred for the Old Boys, scoring six goals, other Old Boy scorers were Winser, Trotter, Norsworthy and Finley with one goal apiece.

Pete Sewell played brilliantly for the School, securing five points, made up of three goals and two assists. Seton and Kenny had one goal and one assist and Ian Sewell one assist.

B.C.S. TRIUMPHS OVER ST. PATRICK'S 7-1

Feb. 5th, 1940— (Junior League)

In a more evenly matched game B.C.S. won its sixth victory by defeating the St. Patrick Juveniles 7-1.

The game was very fast and showed some very brilliant teamwork on both sides.

During the first period Kenny chalked up two goals in favour of the School.

In the second frame St. Pat's scored once while Sewell I and Seton added one goal apiece to the School's scoring list.

During this period Sewell I was tripped by one of St. Pat's forwards, and a penalty shot was awarded to the School. Amid a great silence Dodds took the shot, the puck flew true and went straight for the centre of the net, but Duchesne, the opposing goalie managed to ward it off.

In the third period Sewell I and Seton again scored for the School, while Dodds helped himself to a goal also.

Both teams' goalies defended their nets exceedingly well and made some very spectacular saves.

St. Pats.—Goal, Duchesne; defence, Munster, Rousseaux; centre, Allaire; wings, Langlois, Descoteaux; alt. Gagne, Rediker, Veuilleux, Blais, Ciaccio, Meagher, Lebrun, Hibbard.

B.C.S. SHUTS-OUT SHERBROOKE HIGH 5-0

Feb. 7th, 1940—

B.C.S. scored their first shut-out of the season when they defeated Sherbrooke High School 5-0. Scoring all their goals in the first two periods the School proved to be too strong for their rivals.

Pete Sewell and Kenny led the attack with two goals apiece, while Howard scored the other goal. Dodds had three assists and Seton and Stairs one each.

B.C.S. DEFEATS ASHBURY 7-6

Feb. 10th, 1940—

In one of the closest and most exciting games of the season, B.C.S. triumphed over Ashbury by a score of 7-6.

Time and time again the School forged ahead with one or two goals, only to see their lead quickly snatched away from them by the avenging Ashbury forwards.

At the end of the first period the score was 2-1 in favour of the School, with one penalty awarded to our opponents for tripping.

The second period opened fast and furious, but the pace was too tiring, so that soon both teams settled down and started chalking up goals in quick succession. Both teams scored three times during this period, so that the tally was still in favour of the School. During this period a penalty was awarded to both teams for roughing.

In the third frame the pace was just as fast as in the preceding periods and the game was just as exciting. Both teams scored twice, making the final score 7-6 in favour of the School. A penalty was given to Ashbury for boarding, and another to B.C.S. for holding.

Sewell I led the School's scorers with three goals and Kenny with one goal and three assists, while Seton and Dodds snapped up a goal and an assist each. Howard scored the remaining goal, assisted by Palmer.

Ashbury—Goal, MacDonald; defence, Fisher, Thomas; centre, MacGowan; wings, Burrows, Bronson; alt. Viets, Bailey, Winter, Wilson, Spafford, Smart, Heath, McKinley.

B.C.S. LOSES TO SHERBROOKE CANADIENS 6-4

Feb. 12th, 1940—

(Junior League)

In an exciting game against Sherbrooke Canadiens, B.C.S. bowed to their opponents to the tune of 6-4.

The School drew first blood early in the first period, only to be quickly tied by our opponents. Throughout the rest of the period the play was very even, but just before the final whistle B.C.S. scored again, putting the tally 2-1 in the School's favour.

In the second period the School again opened the scoring, but this time they did not have it all their own way, and at the end of the period the score was 5-3 for Sherbrooke.

In the third period both teams scored only once, making the final score 6-4 in favour of Canadiens.

During this game tempers frequently flared, and ten penalties were handed out, four being against B.C.S., and the other six against Sherbrooke. Most of these penalties were for tripping and boarding.

Sherbrooke Canadiens—Goal, Bourque; defence, Vincent, Denault; centre, Sirois, wings, M. Plamondon, J. Plamondon; alt. Huot, Chevalier, Simoneau, Corbeil.

B.C.S. WINS ASHBURY OLD BOYS' CUP BY DOWNING L.C.C. 8-0

Feb. 17th, 1940—

In a scheduled game played at the Montreal Forum, the School defeated a weak L.C.C. team 8-0. Handicapped by poor ice the School scored two goals in the first period, one in the second and five in the last.

In the first two periods the School's attack was not effective to any extent. However, in the last twelve minutes of the game the School played good hockey scoring five goals. L.C.C. were exceptionally weak and in the whole game had only three shots on Penny, the School netman.

Pete Sewell, Kenny and Dodds had four points apiece, P. Sewell having three goals and one assist, Kenny, two and two and Dodds one goal and three assists. Seton had three assists, Stairs a goal and an assist and Palmer scored the other goal.

This game brought the Ashbury Old Boys' cup into B.C.S. possession, after having had a one year stand at Ashbury.

B.C.S. HALTS L.H.S.'S UNBEATEN STREAK 14-1

Feb. 21st, 1940—

Lennoxville High School's provincial finalist hockey team received their first setback of the season when B.C.S. downed them 14-1. The School, showing too much speed, science and scoring punch for their opponents, scored six times in the first, three in the second and five in the third period.

Lennoxville's lone rally came in the third period. Although minus two of their stars Lennoxville put up a stiffer battle than the score indicates.

Seton, Dodds and Stairs each scored three times for the School, while Palmer had two goals and an assist. Kenny had one goal and four assists, while Pete Sewell and Howard had three assists each. The other two goals were scored by Macfarlane and Fisher.

B.C.S. TRIUMPHS OVER ST. PATS, 3-1

Feb. 23rd, 1940—

B.C.S. moved into first place in the Juvenile League by downing St. Pat's 3-1, in Sherbrooke.

The School took the lead in the last minute of the first period when Dodds scored on a pass from Seton.

There was no scoring in the second period. At the two minute mark in the third period Sewell scored on a pass from Kenny and George Stairs scored the School's final goal unassisted. St. Pats lone goal came half-way through the third period.

B.C.S. TIES COLLEGE SENIORS, 6-6

Feb. 24th, 1940—

Playing their third game in four days the School came from behind to tie the College team 6-6. The third period produced the most spectacular hockey that has ever been seen in the School rink.

At the end of the first period B.C.S. were leading 2-1. Seton scored on a pass from Kenny and Pete Sewell, and Fisher on a pass from Mactier. In the second period the College scored four goals to the School's one, making the score 5-3 for our opponents, Kenny scoring the single School goal on a pass from Seton.

In the third period our opponents quickly made the score 6-3. With eight minutes to go the School substituted an extra forward for their goaler in a desperate attempt to even the score. The seven minutes that followed were packed with thrills and the School managed to tie the College team, making the score six all. The scorers in this period were Seton, Kenny and Sewell I, who also gained an assist each.

B.C.S. DEFEATS SHERBROOKE CANADIENS 5-2

Feb. 26th, 1940—

(Junior League)

In a match against Sherbrooke Canadiens the School defeated their former conquerors by a score of 5-2. Even though hampered by slow ice both teams played very well.

The School drew first blood a minute after the starting whistle was blown, by scoring a goal after an excellent display of team-work. Soon the School scored again, but a few minutes before the end of the period Canadiens scored, making the score 2-1 in favour of the School.

In the second period the School again scored within a minute of the starting whistle, only to be counter-attacked with the loss of a goal.

The School scored twice in the third frame. The first goal of this period was scored by Dodds with a magnificent shot from centre-ice.

The School's scorers were led by Sewell I with two goals and an assist, Dodds came next with two goals, then Seton with a goal and an assist and Kenny with two assists.

Sherbrooke Canadiens:—Goal, Bourque; defence, Vincent, Denault; centre, G. Plamondon; wings, M. Plamondon, Sirois; alt. Chevalier, Simoneau, St. Cyr, Corbeil.

B.C.S. LOSES LEAGUE PLAY-OFFS TO SHERBROOKE CANADIENS, 2-1

March 6th, 1940—

In a very fast and exciting game, against Sherbrooke Canadiens, B.C.S. was defeated 2-1 in the final match of the season. The loss of this match was a severe blow to B.C.S., as they have not come so close to winning the junior league championship, after playing so many hard-fought games, in a long time.

Throughout the whole match both teams played their hardest, and the play was very evenly matched, in fact, so evenly matched, that two overtime periods had to be played before the victors could be named.

Just before the end of the first period Dodds scored the School's only goal.

Thirty seconds after the second period started Canadiens retaliated by scoring the equalizing goal.

The third regulation period and the first overtime period were scoreless, but very fast and exciting. During these two periods both teams displayed some very excellent hockey, both defensive and offensive.

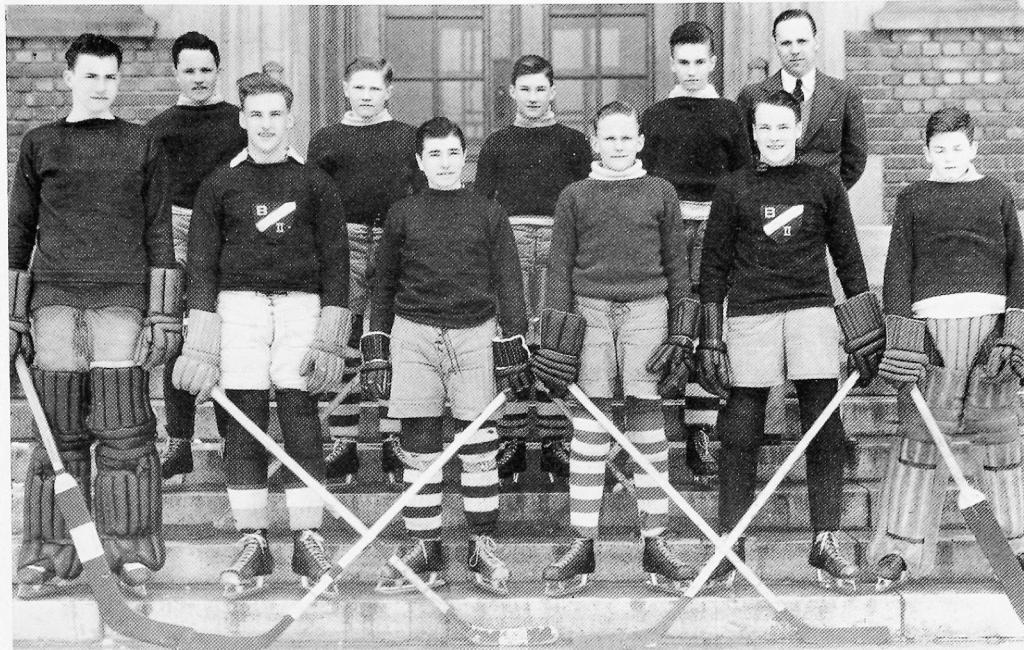

At the beginning of the second overtime period Canadiens scored again, thus winning the game and the junior league championship.

During the whole game only three penalties were awarded. Two were against B.C.S. and one against Canadiens. All three penalties were for tripping.

Canadiens:—Goal, Wilson; defence, Ross, Farr; centre, Campbell; wings, Rediker, Arnold; alt. Miller, Richardson, Colton, Brooks.

JUNIOR HOCKEY

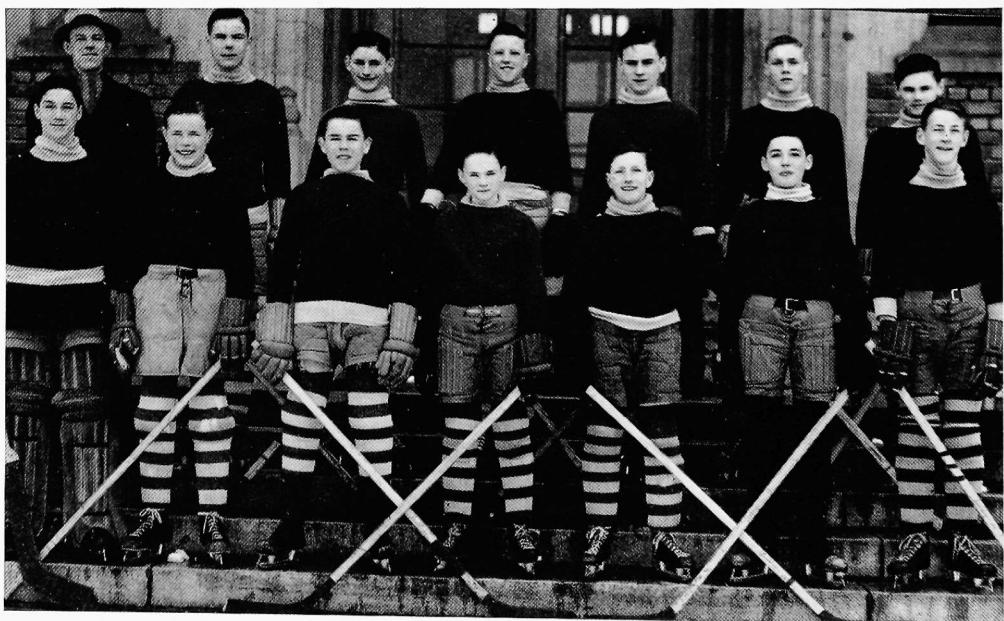

A junior team of players 16-and-under replaced our former two team entry in the Q.A.H.A. this year. It was impossible to secure a single additional entry to play against our "A" and "B" teams, with the result that we played in the Sherbrooke County High School circuit. We finished in a tie for first place with St. Pats as our opponents in a sudden-death playoff. We lost this game, 3-2, after leading 2-1, for much of the contest. The team played ten league contests with the five other members of the circuit, winning eight and losing two. Juniors Seconds played three exhibition games, while Orphans, the over-age entry in the Bantam league, won from and lost to St. Pats, shut out Royals, and won their games from the Prep. The Junior League games scores were as follows:

B.C.S. 11	B.C.S. 6
L.H.S. 0	Sacre Coeur 1
B.C.S. 2	B.C.S. 15
St. Pats 7	L.H.S. 0
B.C.S. 5	B.C.S. 3
S.H.S. 2	Sacre Coeur 1

B.C.S. 3	B.C.S. 5
Mitchell 2	S.H.S. 2
B.C.S. 2	B.C.S. won by default
St. Pats 3	from Mitchell School.

The scoring statistics for league games follow:

	Goals	Assists	Points
Evans.....	5	6	11
MacTier II.....	9	2	11
Wregg (Captain).....	3	8	11

TWILIGHT

The darkness falls in silence on the lake;
The woods grow darker: and the setting sun
In flaming clouds its ardour seems to slake
Then sinks from vision, and the day is done.

The ebbing daylight silhouettes the trees
Against the narrowed curtain of the sky.
The frowning mountains darken as it flees,
And echo softly some last heron's cry.

God's night is come, and things that in the day
Seemed ugly, show their beauty, give surcease;
These twilight hours can somehow find a way
To leave a world of hate a world of peace.

And so, as long as centuries may roll,
The evening silence rests the human soul.

KENNETH K-HUGESSEN.

Cricket

Although of indifferent quality—in comparison with other B.C.S. sides—the First Eleven managed to keep intact the unbeaten record of our first teams in competition with other schools. Moreover, by defeating Ashbury they lengthened out a list of successes in school matches to fourteen wins and one loss in nine years. It is possible that since Lower Canada College had been defeated by Ashbury we should have been successful against the former had we been able to play them. Indeed the game might easily have been won by Sewell alone: without him it would certainly have been close.

The team was a good fielding side, and strong in bowlers, but very few of its members could be counted upon to make runs. Even the match against an enthusiastic but ineffective Masters team was not enough to carry more than one boy into a double-figure batting average. For years there have been five or six batsmen in the School elevens who have gone to bat with serious intentions of making at least fifty runs: of this year's team it must be said that individuals appeared to have no serious intentions at all. Lack of determination was thus the principal weakness of the team: on the technical side it was an absence of defence, based upon an inability to watch the ball and to use a purposeful forward stroke. The one exception to this was Thornhill, who went in first, and who should have inspired the others by his steady and stylish forward play. Sewell, of course, is not included in these remarks, as it was only at the end of the season that he decided to allow himself to be included in the team—after giving invaluable assistance by bowling daily in the nets—and his total of 153 runs in four matches is the mark of his strength. Against Ashbury he took six wickets for ten runs; in the two innings made as many runs as the other ten men on the side.

The School's best performance was against the Westmount C.C. of Montreal. Here a real effort was made to stand up against good bowling, and Davis's feat of carrying his bat through two innings for nearly fifty runs was more than creditable.

Stairs II showed promise once or twice and so did Day, Wregg, Ramsey and Tomlinson: it is a pity that their attempts were invariably cut short in the twenties instead of the fifties. Sheppard was the outstanding bowler of a good group: Stairs, Ramsey, Sewell, and Palmer were all inexperienced, but Sheppard ended up with a score of 42 overs, 17 maidens, 23 wickets for 61 runs. Thanks are due to Dodds I, who came in with little practice and helped out in important matches.

There is some promising material lower down in the School, and it is hoped that this year's Preparatory School team will have produced some batsmen who base their batting on confidence and style rather than on wishful thinking about big scores, quickly made. McCurdy, Howard II, Churchill-Smith, McMaster, Pitfield, Lemieux, Macdonald I, and Macdonald II are all players who seem to have the right idea. It might be said of them that their places in the first team are as good as made if they will school themselves in going out to bat without excitement, in making up their minds to watch the ball and beat the bowler, in playing forward, and in cutting or driving the off balls. The runs will come.

"WHEN I WENT TO THE BAR AS A VERY YOUNG MAN"

"*Iolanthe*"

The Gilbert and Sullivan Operas were written and composed for casts of adult men and women, and when a boys' school produces "*Iolanthe*" successful performances largely depend on how well 'teen age boys can take the singing parts of men, and younger boys the female roles. The performances of "*Iolanthe*" on April the 26th and 27th showed that those handicaps can be most efficiently overcome—in fact, probably very few of the audience were aware of them as handicaps at all.

Nicholl as the Lord Chancellor, at one moment superbly dignified and the next a delightful clown, now lost in the intricacies of the law, now delivering a solo with complete ease and assurance, gave a performance which will long be remembered by all who saw him.

His noble supporters, Lords Mountararat and Tolloller, were played by Atkinson and Hugessen I, the former a most suave and competent actor whose fine singing in solo and chorus evoked several encores, the latter doing an excellent bit of work in a high tenor part which presents great difficulty to one of his years.

These three paragons came together in the "Faint heart never won fair lady" trio, and that highlight of the show—encore after encore, each more beautifully made than the last—will never be forgotten by the audience.

THE "FRIENDSHIP" QUARTETTE, ACT II

As in "The Pirates of Penzance" last year, Finley, as Phyllis, made a beautiful and convincing heroine. His work with Ramsey, who played Strephon the Shepherd, was not only a delight to listen to for the singing, but also a delight to watch for the acting. Their duets at the stile—"None shall part us from each other"—and in the second act—"If we're weak enough to tarry"—were triumphs.

Davis as the Fairy Queen, an imposing yet prim figure, bossed his subjects with song and speech in no uncertain manner, and even the Lord Chancellor was somewhat in awe of him.

Kenny, as Private Willis, won a well-deserved encore for his baritone solo, and his acting made a valuable contribution to the success of Act Two.

Iolanthe was played by Peter Estin, and his charming manner and voice put a difficult part across competently.

The trio of fairies, Celia, Leila and Fleta, in the persons of Hugessen III, Ker, and Moffat II, supported the principals with enthusiasm and confidence.

Before leaving the principals the work of Smith, as understudy to Finley for the part of Phyllis, must be mentioned. Inside two weeks Smith learned that exacting part, and he played it very well when some of the cast gave a concert in Sherbrooke a week before the show, and again at the dress rehearsal. On the nights of production Finley was able to take the part, and Smith rejoined the ranks of the Fairies.

THE QUEEN REBUKES THE PEERS

"*Iolanthe*" is much more difficult to perform than "*The Pirates*" in at least one respect—the choruses of peers and fairies have frequently to interject remarks in tune and in time. This is by no means easy to perfect with a handy little chorus of a dozen or so, and with a chorus of thirty-four peers and twenty-seven fairies . . . ! Well, it was done, and done with professional precision. The peers and the fairies, the dignity of the one contrasting the ingenuousness of the other, drew a great measure of applause—and well they might, for their part-singing, their enthusiasm and their appearance satisfied even the most critical members of the audience.

Mr. Page, the Musical Director, achieved this standard of excellence by his indefatigable efforts and patient skill in countless rehearsals. Perhaps only those who witnessed some rehearsals realize what a "man of many parts" he is—singing all parts from treble to bass, and detecting individual faults amid the volume of a chorus and correcting them in a moment.

With Mr. Grier and Mr. Pattison as producers the cast were not only told but shown how to improve their acting, and the problems of effective grouping and efficient exits and entrances—no small difficulties with a cast of seventy—were neatly solved.

Miss Jean Campbell rendered invaluable assistance at the piano during rehearsals, never being at a loss through all the ups and downs of practice. On the nights of the performances she and Mrs. R. J. Bell, at the piano and electric organ respectively, flawlessly accompanied the cast.

Then there were the numerous helpers without whose interest and hard work the production could not have been staged: Mrs. Pattison and Mrs. Moffatt who designed the costumes, and Mrs. Grier, Mrs. Page, Mrs. Clews, Mrs. Love and Mrs. Patriquin, who helped to make them. Mr. Spied as usual lent an experienced hand with the lighting. Mr. Moffatt was Master of the Robes and also was in charge of the fairies' make-up. Mr. Cooper acted as Business Manager, assisted by Skelton. Landry helped in the painting of the settings and scenery, which were designed by Mr. Grier. The Prep boys constructed crowns and coronets, wings and wands.

The following worked hard in the positions mentioned:—Stage Manager, Keator; Assistant Stage Manager, Blacklock; Call boys, E. Fisher and Murray; Stage Hands, M. Fisher, Harding, Lemieux, Ronalds and Williamson; Switch-box Operator, McLimont; Ticket Salesmen, Lynn, Powell and Bishop; Costumes Assistants, Dodds II and McMaster.

* * * * *

Throughout the production, from the first rehearsal to the final performance, the enthusiasm, co-operation, and painstaking work of principals and members of the chorus were of infinite help and encouragement to the Musical Director and the Producers.

The ending of this account of "Iolanthe" comes as a gift from a distant room in the building. It is a month after the show, and an "ex-fairy" is playing the piano for fun; voices of casual passers-by on that floor are joining in "When darkly looms the day . . ."

Tennis Crease

Morgan	Holt
Hugessen I	Hogdson
Atkinson	Evans
Harding	Williamson
Fisher I	Stairs I
Collier	McConnell
Wanklyn I	

The tennis crease was founded this year, under the auspices of Mr. Cooper, composed of volunteers from the other creases, of whom the thirteen best were chosen. Begun as an experiment, the crease has proved very successful, and there seems every probability of its being continued as a regular feature of the sports of the summer term. Under the expert tutelage of Mr. Cooper, there has been a noticeable improvement in the standard of tennis of the tennis crease, and the thanks of all its members are due to him.

Stairs I has been in charge of the tennis courts, and has looked after them very well. The results of the tournament are not yet known, but it is progressing well. On the whole, tennis this year has been better organized and more popular than before, and it is to be hoped that the present standard will be maintained, and the crease kept going.

ENDURANCE

Ho, friend, be gay: tomorrow's dawn is near,
Our night-long labours have not been for naught;
Pull hard your oar: gone is the hour of fear,
Passed are all hours with any danger fraught.

The toil is hard, the night is long indeed,
And tired eyes, and stiff wet limbs are ours;
But where alone no man could hope succeed
We have succeeded with our banded powers.

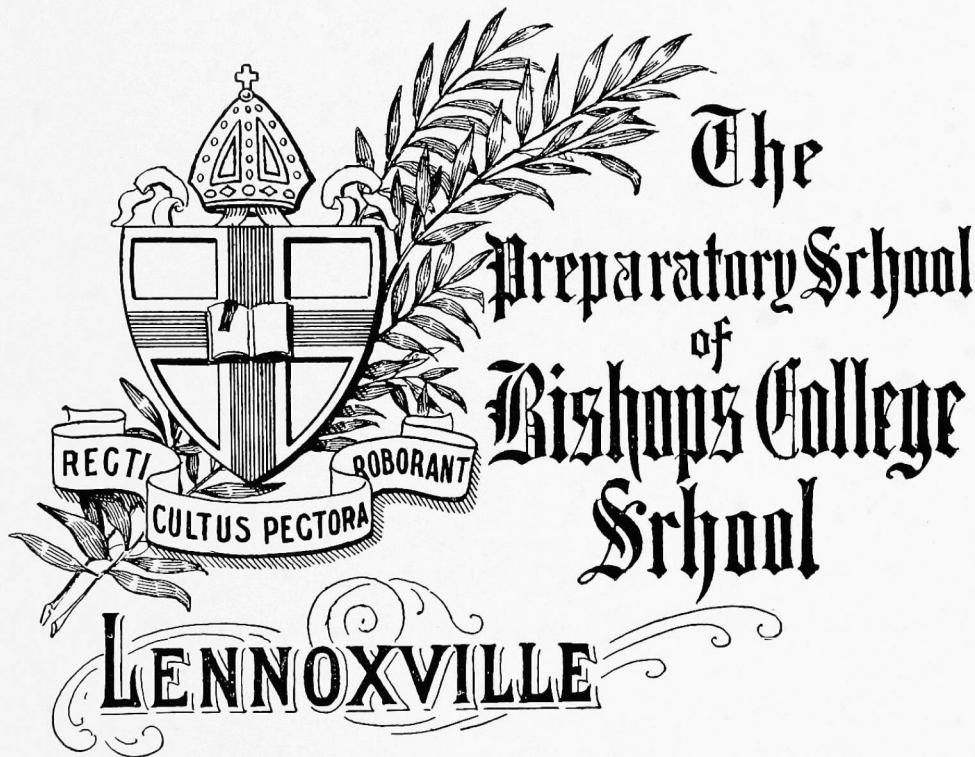

I would have, ere the sundown, put to beach,
Had not your toils inspired me to go on:
The other's labour has encouraged each

And on past all endurance we have gone.
Where one could not have helped but fail,
Two have o'ercome the sea, the night, the gale.

KENNETH K. HUGESSEN.

SKIING

CRICKET

So far this term we have had a great deal of cricket practice with Mr. Page coaching us, assisted by the other masters. We have played several matches against Upper School teams, being beaten by a side made up of Old Prep boys and others, and beating the "5th Crease" team by over a hundred runs. In a return match against the Old Prep boys we were again decisively beaten. We hope to play either Selwyn House or Lower Canada before the end of term. It is too early to record winners of Cricket colours, but the following boys are doing useful work and are possible members of the Prep team: Estin II, Stoker, Sewell III, Flintoft II, Price, Satterthwaite I, McBoyle, Smith, Anderson, Bright, Wallace, Pitfield II.

In matches played so far, Stoker has scored 32 runs for twice out, Estin II, 53 for the same number of innings, including a splendid 51 retired, McBoyle, 31 for three times out. In bowling, Sewell III has taken 16 wickets for 59 runs. Flintoft, 5 wickets for 10 runs.

J. O. A.

BOXING

Boxing started in the beginning of May, and at first we practiced footwork and guarding. Then we began having practice bouts, which soon showed that there are some good boxers in the Prep, and the competition should be an excellent one. It is due to start as we go to press.

F. W. B.

PREPARATORY SCHOOL HOCKEY TEAM, 1940
WINNERS OF THE Q.A.H.A. EASTERN TOWNSHIPS BANTAM LEAGUE

R. L. EVANS, ESQ. W. A. PAGE, ESQ.
J. A. SEWELL, J. W. PRICE, C. H. FLINTOFT, M. S. WALLACE, D. N. STOKER, J. O. ANDERSON, P. R. SATTERTHWAITE,
R. G. McBOYLE, F. W. BORIGHT, (Capt.), R. W. SMITH, H. H. ESTIN.

HOCKEY

For the third year in succession the Prep won the Eastern Townships Bantam Championship of the Quebec Amateur Hockey Association, narrowly beating St. Pat's of Sherbrooke for that honour. Those who were awarded Hockey Colours were Boright (captain), Price, Anderson, McBoyle, Stoker, Flintoft II, Estin II, Smith, Sewell III, Wallace and Satterthwaite I. The Prep played six games in the course of the league, winning three and tying one with Sherbrooke teams, and losing two to the Upper School Bantams, who were not eligible for the title. We also played our usual game against Selwyn House, and lost 5-3, Boright scoring our goals.

Second Crease had a good season playing out leagues among themselves, and produced a number of players who only just missed First Crease this year and who will certainly prove most useful next year.

J. W. P.

BICYCLE TRIPS

Many of the boys have bicycles here this term, and so far there have been two bicycle trips. The first one was in the beginning of May, when we went to Ascot Corners. The second was on the 24th, when a bunch of us rode to Rock Forest, taking our lunch with us. Quite a lot of work has been done building bicycle roads near the Prep, and most riders are now pretty good at repair work and at fixing flat tires.

M. S. W.

JUNIOR CHOIR

The Junior Choir has been active throughout the year, and a full account of its work appears elsewhere in the Magazine. The following Prep boys have been in the Choir this year: Boright, Estin II, Flintoft II, Moffat I, Moffat II, Norris, Stoker, Smith, Sewell III, Stevenson, Robinson, Bouet-Willaumez, Boyd, Wallace, Empey. Boys who have been practising with the Choir and who are likely to be in it next year are: McBoyle, Taylor II, Wray, McMichael, Beatson and Pitfield II.

C. H. F.

PREPARATORY SCHOOL SKI TEAM, 1940

Left to Right: H. T. HOLDEN, ESQ., P. R. SATTERTHWAITE, H. H. ESTIN, J. W. PRICE, R. W. SMITH, R. G. McBOYLE, D. N. STOKER, J. BOUET-WILLIAUMEZ, W. E. SATTERTHWAITE, R. L. EVANS, ESQ.

SKIING

Ski creases nearly every afternoon in the Lent Term led up to the Whittall Cup Competitions. The Downhill and Slalom races were held at North Hatley, and the Cross Country race was held the next day near the School. Estin II won the Whittall Cup and the following made the Ski team: Smith, Stoker, Satterthwaite I, Satterthwaite II, McBoyle, Bouet-Williaumez and Price. Although several of the new boys had never been on skis before the term began, every boy in the Prep went into the Downhill race at Hatley, and the standard of skiing was, on the whole, excellent. C. H. F.

CONFIRMATION

On Sunday morning, May 26th, the Bishop of Quebec held a Confirmation in the Chapel. Among those confirmed were eight boys from the Prep: Anderson, Boright, Flintoft, Moffat I, Norris, Price, Struthers and Taylor I. E. D. T.

PLAYS

During the Lent Term the Prep produced three one-act plays. These were cast more or less according to forms. Remove presented "The Sheriff's Kitchen", a Robin Hood play. Form IIA put on "Mutiny", the story of Hudson's last voyage, and Forms IIB and I played "Quack ! Quack !", a mediaeval farce. These three plays were put on in the School Theatre. Many promising actors came to light, some of whom will be useful members of the Players' Club in the Upper next year, while others will be stars in the next Prep play. D. R. S.

ART AND HANDICRAFTS

This year, under Mrs. Moffat's tuition, we have done many different kinds of work in the Art and Handicraft Classes, drawing, both in pencil and India ink, leatherwork, soap-carving, painting, wood-carving, and model-making. All this was in addition to the lino-cutting and other work we did the first term. Among other things Sewell built a cardboard house, and with the help of his form it has been completely furnished with chairs, tables, etc., carved from soap. Many boys, too, have been building model aeroplanes, some of them built to plans, and others of original design. R. W. S.

THE PREP PRESS

With its last issue the Prep Press completed its fifth year of existence. As usual it covered all the Prep activities of the year, published stories, poems and articles written by the Prep boys, and sketches done in the Art classes or drawn especially for the paper. Flintoft did a great deal of work for the paper throughout the year, and in the winter got out a hand-written issue with Stoker's assistance. J. B. and M. M.

THE CAMERA CLUB

With Mr. Holden as Honorary President, Stoker as President, Estin II as Secretary and Bouet-Willaumez as Librarian the Camera Club has been in operation all year. The taking of interesting pictures has been encouraged, and many films have been developed and printed by members in the dark room. D. N. S.

THE MUSEUM

With Smith, Taylor II and Williams as curators, the Museum has collected a number of new exhibits during the course of the year. Dodds II and Ker, who started the Museum when they were in the Prep, have visited it often from the Upper School and have helped it along a great deal by their interest. H. H. E.

MOVIES

During the Lent term we had a number of movies on Saturday evenings. Mr. Havard showed a number of films on the subject of music, which proved most entertaining. Mr. Holden also procured for us some movies which dealt with skiing and with scenes of animal life in the Canadian forests. We hope that next year we will be able to have movies every Saturday evening during the winter months.

P. R. S.

HUTS

As soon as the more or less warm weather of early spring arrived the huts became popular again, and boys started going up to the woods for supper on Sundays. The improvements made last autumn helped the huts to withstand the winter, but there is still much work to be done, especially on the big Prep hut. More furniture is needed, and it is hoped that we will be able to make some next year. R. McB.

GARDENS

The gardens near the Prep which were started some years ago by boys who have since gone into the Upper School have been taken over by present Prep boys. Sewell and Mitchell, for instance, have been working hard at theirs, and plants are coming up well and should be flowering before we leave for the holidays. J. A. S.

MUSIC

Before the end of the term several Prep boys who have been taking piano and violin lessons are to perform in a Recital, together with Mrs. Bell's and Mr. Havard's pupils in the Upper School. Those who will be taking part are:—Moffat I, Moffat II, Empey, Williams, Wray, Bennett, Robinson, Bouet-Willaumez, Estin II, and Smith.

On the 17th of May Remove went to Sherbrooke, where Mrs. Bell and Mr. Havard gave them a lesson on and a demonstration of, the organ in the United Church. This was a most interesting trip, and it is one to which the Musical Appreciation Class always looks forward.

R. S. W. and J. M.

INSPECTION

The Prep has been parading with the Upper School Cadet Corps recently in practice for the coming inspection. Sewell is commanding the Prep Squad this year, and under the eye of Mr. Bredin the squad is smartening up, and will, we hope, present a good appearance on parade.

R. H. T.

SHIRLEY RUSSELL CUP

MRS. CLEWS

As the time approaches when "Nerkie" leaves us, we begin to feel the painful wrench.

She has held our affection for such a long time that it is difficult to visualize the Prep without her. Masters and boys have relied upon her to such an extent that we must be excused if we flounder about for a period until we get accustomed to the new situation. Although the writer has been associated with her for five years—a small portion of her many years of service—he has been struck by her many excellent qualities, but above all by her intense devotion to duty. I have never known her to be late for anything. At rising bell, there she is, in and out of dormitories and wash room looking as prim and ready for the day's duties as though she has been preparing for them at least an hour before. After breakfast, you will see her, arms full of clothing to be sorted or mended, or busily engaged at her machine with the mending. At break, without fail, she is behind the tuck shop counter distributing the mid-morning cup of milk and biscuits. After lunch, she will be inspecting the proper clothing of boys who are going outside. Afternoon school over, she is there at the tuck shop, in the linen room, the locker rooms, the coat room seeing that boys are suitably clad for games. After games, she is always hovering about them making sure that wet clothes are put into the drying room and that boys are thoroughly dried after showers. In the evening, one can always find her preparing baths, superintending the thorough cleaning of boys, particularly those who have a natural aversion to the use of soap.

These are only a fraction of her many offices, for she superintends the daily cleaning of the dormitories and locker rooms, the gathering together of all articles for the laundry, the sorting out in their proper compartments of each boy's laundry when returned, the laying out of each boy's garments for the day's use. She listens to every complaint of each boy, administers treatment if the remedy called for is simple, takes temperatures regularly and in all cases of doubt.

It is impossible to enumerate all her services, but one characteristic stands out, namely, at all times, early or late, she will be found ready to do whatever is necessary for the well-being of the boys in her charge. There is no need to ask where she is. She is ever present.

No wonder then that we feel somewhat bewildered at her going. She has inspired confidence. We are proud of her. She has not only superintended, but has given ungrudging and helpful assistance in every thing making for the welfare of the boys, masters and School. It has been a privilege to work with her. May she find in her new sphere the contentment and happiness she has given to us here.

W. A. P.

THE die is cast ! We fight no more for peace
But ever pray the cannons soon shall cease.
We've tried to halt the rushing tide of war—
But no, for by the new concept of Law
It could not be. Till tyranny's no more
Force must meet force, before it is too late
And all our world's engulfed in tides of hate.
For evil's guile has blinded logic's sight;
Man's mind to one idea, one instinct, Might;
Man's goal a goal obtained by dint of force,
Such goals do bring but misery, remorse.
Must years of building up, collapse again
Before the primal savagery of men ?
Bear up, my friends, although the fight be long;
Bear up, believing Right must conquer Wrong,
Although the war brings toil and misery.
Reverse must come before true victory.
If our ideals are right, our purpose true,
Then they are all we need to see us through.
If we've the will, then ours the vict'ry is
And nought can stop our cause, for it is His.

DAVID SHELLEY NICHOLL, Form V.A.

"Star", Jan. 27th—

McNAUGHTON WAS PIONEER IN WORK ON NEW DIRECTION FINDER

OTTAWA, Jan. 27—(C.P.)—Announcement in New York of the use of the cathode ray tube as a many-purpose indicator in aerial navigation, taking the place of numerous dials, recalled to-day that its use as a direction finder was first developed in Ottawa by Major-General A. G. L. McNaughton, now commanding the First Division of the Canadian Active Service Force, and Lieut-Col. Arthur Steel.

While the idea of using the cathode ray tube as a direction finder was originally conceived in England in 1922, it was developed in 1924 into a rough but usable device by General McNaughton and Col. Steel and patented in 1926.

Both men then were on the headquarters staff of the National Defence Department.

The National Research Council here, of which General McNaughton is president, took up development of the direction finder in 1936 and in the spring of 1938 built the first practical instrument.

Work on the cathode ray direction finder has continued since then with a view to its adaptation to both marine and aerial use.

A model for marine use was completed last summer, as announced by the Canadian Press then and work is being pushed secretly on its aerial use, especially for the benefit of the Defence Department.

The cathode ray tube, which is the basic part of a television receiver, is considered a convenient indicator, taking the place of dials or sound signals of various kinds.

According to the New York announcement, the tube now has speed indication, as well as direction finding. This development was made at the instigation of the United States War Department by the Sperry Gyroscope Company in Brooklyn, N.Y.

"Star", Jan. 25th—

CANADIANS GET UNIQUE HONOUR

THE KING SENDS CONGRATULATIONS TO FIRST DIVISION

ALDERSHOT, Jan. 25—(C.P. Cable)—The First Canadian Division, signally honoured by a visit from the King yesterday, received yet another Royal tribute to-day.

In time of war it is not customary for the King to send a message following an inspection. The Canadians, however, gave such a sterling account of themselves that His Majesty made an exception in their case.

Through his private secretary, Sir Alexander Hardinge, the King asked that a message be telephoned to Major-General A. G. L. McNaughton, general officer commanding the Canadian Active Service Force, at his divisional headquarters, saying how much the King had enjoyed the visit and expressing thanks for the hospitality.

He also authorized the following note to appear in the divisional orders: "His Majesty is pleased with what he saw. He was greatly impressed by the smartness of the troops, their excellent drill and their steadiness on parade."

General McNaughton told Sir Alexander Hardinge that the entire division had been thrilled by His Majesty's visit and expressed most profound thanks on behalf of the officers and men for His Majesty's kind words of appreciation.

MAJOR-GENERAL A. G. L. McNAUGHTON, C.B., C.M.G., D.S.O., M.Sc., LL.D.
G.O.C. 1st DIVISION, C.A.S.F.
B.C.S. 1900-05

Roll of Honour

FLYING OFFICER GEORGE E. AULD, B.C.S. 1922-26

The Gazette, May 18th—

Flying Officer Auld joined the R.C.A.F. in January. He was born in Charlottetown, P.E.I., 32 years ago, the son of the late George Auld and Mrs. Auld of that City. He was educated at Bishop's College School, Lennoxville, at the University of Toronto, and graduated from McGill College in architecture in 1933. He was a member of the Alpha Delta Phi Fraternity while at McGill.

After a year of post-graduate study in Europe he became a partner in the firm of Wilson & Auld, architects, and was an active member of the Winter Club.

He is survived by a brother, Prof. F. Clyde Auld of the University of Toronto, and a sister, Mrs. R. H. Beale of Hamilton, Ontario. Another brother, Ernest Auld, an officer in the 42nd Highlanders, was killed in the last few days of the Great War on the Amiens front.

From "B.C.S.", 1926—

Auld. First of all "George" is a Prefect. He has also been a member of the football team for the past two years, filling the responsible position of snap-back in faultless manner, and was Secretary last season. He is an active member of the Magazine Staff, being Business Manager, is leader of the School Orchestra and Stage Manager of the Dramatic Club. In the Cadet Corps he is second in command, having been a sergeant in 1924. George is matriculating this year and intends to go to Toronto University to take up Law.

SUB-STAFF			
Rundell (Roach) Ernie	1935-39		5/73 Bty., R.C.A., C.A.S.F., Petewawa.

Major Molson in his remarks to the Corps on Inspection Day hinted that there was a direct connection between the efficiency of No. 1 Platoon of the B.W.P.T.C. and the B.C.S. boys in it.

The following Old Boys joined the Provisional Officers Training School of the Black Watch (R.H.R.) of Canada on the out-break of war.

Lieut. H. B. Glassford
 2nd Lieut. J. P. MacIntosh
 " C. L. Stuart
 " J. P. G. Kemp
 " T. M. Barrott
 " E. E. Chambers
 " W. Doheny
 " J. L. B. Doucet
 " D. A. Johnstone
 " G. M. G. Johnstone
 " R. G. MacKay
 " W. M. Molson
 " P. H. MacKenzie
 " A. R. W. Robinson
 " S. L. Schafran
 " P. S. T. von Colditz

Also serving with the 2nd Btn. Black Watch are:

Capt. W. W. Ogilvie
 " R. R. MacDougall
 Lieut. M. J. McLeod
 " J. W. Buchanan
 " G. W. Millar

HARRY BOSWELL went with the Expeditionary Force to Norway in charge of part of a Field Company. From what we hear, they had a tough time of it and the only thing that saved their lives was the Germans' poor shooting from the airplanes.

Lieut. Ian Ogilvie joined the R.C.N.V.R. in September and after attending a six months course in Montreal was one of the few to be selected to attend a more advanced course in Kingston prior to being posted to a station.

GEORGE CROSS (B.C.S. Master)

George was sworn in as Sub-Lieut. in the R.C.N.V.R. and left at the end of April for England, where he will serve in the Royal Navy. He expects to take a course at Brighton for several months before being assigned to a ship.

A letter just received from George states that he had an uneventful trip across the Atlantic and is in training at a Naval Barracks on the South Coast. He finds the hours not too arduous and gets leave every week-end. At the moment of writing he was sitting on the beach in glorious sunshine and watching British bombers going overhead in the direction of Belgium. He expects to be assigned eventually to one of the smaller naval units.

We are sorry to have included, among Old Boys' serving, Lieut. John Bishop, as he is not an Old Boy. His name was in a list sent in to us.

Gazette, March 12th, 1940—

MAJOR GREENWOOD TAKES C.O.T.C. POST

VETERAN OF LAST WAR BECOMES ADJUTANT OF MCGILL CONTINGENT

Major E. H. de L. Greenwood, veteran of the last war and for several years Staff Adjutant at the Royal Military College, Kingston, has been appointed Adjutant of the McGill Contingent of the Canadian Officers Training Corps. Major Greenwood takes over his duties immediately.

He began his military career as a cadet at Kingston in 1910, after early education at Bishop's College School, Lennoxville, where he won the Governor-General's Medal. His career at Kingston was marked by the fact that he was promoted to Battalion-Sergeant Major, earned the Sword of Honour and the Governor-General's Silver Medal. On completion of his course in 1913 he joined the Royal Engineers as a 2nd Lieutenant and went with the British Expeditionary Force to France in August, 1914.

Major Greenwood took part in the intense fighting which marked the early months of the last war and lost his left leg in action. His experience, however, was such that in June, 1915, he was again in service as Adjutant to the railway troops in England and during 1916, 1917, and on to January, 1919, he served in the operations directorate at the War Office in London; as an instructor at the Second Army Central School in France, as officer commanding the Royal Engineers Cadet Training Company at Chatham, England, and as a general staff officer at the operations directorate at the War Office in London. He was gazetted brevet major in the New Year's honours on January 1st, 1919, and from January to May of that year served in the directorate of fortifications and works at the War Office.

Major Greenwood was seconded for military duty to the Royal Military College at Kingston in May of 1919 and served in that post until June, 1924.

Moving to Montreal Major Greenwood became officer commanding First Medium Battery and served until placed on the reserve of officers in 1932.

Major Greenwood is a member of the United Services Club, the Royal Montreal Golf Club and the Engineers Club. His son is now serving in the infantry wing of the McGill Contingent of the Canadian Officers Training Corps.

Star, May 7th—

H. H. SIMS DIES IN WASHINGTON

BRITISH EMBASSY OFFICIAL WAS NATIVE OF MONTREAL

News was received in Montreal last night that Harold Haig Sims, attache at the British Embassy in Washington for nearly half a century, and son of Mrs. A. Haig Sims, of 490 Pine Avenue West, Montreal, had died suddenly in Washington, following a stroke. The body of Mr. Sims is being brought to Montreal for burial, and the funeral service will be held on Thursday at the church of St. Andrew and St. Paul at 2.30 p.m. Rev. Dr. G. Donald will officiate.

Mr. Sims, who was in his 60th year, was well known in Montreal, and was a member of an old established family. He was the son of the late A. Haig Sims and Mrs. Sims, and was educated at Bishop's College School, Lennoxville, and at McGill University.

He became associated with the British Government service 23 years ago, being attached to the British War Mission at that time, and afterwards being appointed an attache at the British Embassy. The outbreak of hostilities in Europe put a great deal of extra work on the Embassy staff, and although Mr. Sims had not been in good health for some time, he continued at his duties until yesterday.

Surviving are his wife, formerly Emilie Amalie Mauritzzen of Copenhagen, his mother, and his brother, G. Ross H. Sims.

Mr. Sims was a member of the St. James Club, Royal Montreal Golf Club, Montreal Racket Club, Montreal Hunt and the Zeta Psi Fraternity.

Engagements

BOSWELL—HENSHAW

Quebec, February 18.—Mr. and Mrs. Gerald Henshaw announce the engagement of their only daughter, Phyllis Manion, to Lieutenant Harry Fitz-Gibbon Boswell, Royal Engineers, eldest son of Mr. and Mrs. C. E. Allen Boswell, of Quebec.

Lieut.-Colonel and Mrs. C. F. Ritchie announce the engagement of their elder daughter, Isabelle Frances, to Mr. Allan T. Patton, of New York City, son of the late J. F. Patton, Esq., and Mrs. Patton, of Montreal.

Weddings

February 2nd—

STOVEL—ROBB

The marriage of Elizabeth McLeod, daughter of Mr. and Mrs. J. D. Robb, of Westmount, to Mr. Samuel Rodger Stovel, son of Mr. J. H. Stovel, of Dome Mines, Ont., took place very quietly this evening at six o'clock, in St. Andrew's Church, Westmount, Rev. W. J. Clark, D.D., officiating.

Mr. Bruce Stovel was best man for his brother.

Mr. and Mrs. Stovel will take up their residence in South Porcupine, Ont., upon their return from their honeymoon.

KENNY—CRESSY

Buckingham, Que., Monday, April 29th, 1940—

Miss Ida B. Cressy, daughter of Mr. and Mrs. H. W. Cressy, of Masson, Que., and Lieut. J. A. Kenny, Black Watch, R.H.R., of Canada, son of Mr. and Mrs. R. M. Kenny, of Buckingham, Que., were quietly married here to-day. The service was held at three o'clock, in the United Church, and was conducted by Rev. R. Aiken.

The bride was given away by her father. Miss Flora Baptiste, of Three Rivers, Que., was maid of honour. The best man was Mr. Charles W. Kenny, brother of the groom. The reception was held at the house of the groom's parents. After the reception the couple left for a short visit to Montreal.

The groom, John Kenny, attended B.C.S. from '29 to '35, while the bride's brother, Carlton Cressy, is also an old boy, having been here from '29 to '34.

Out of town guests included Mr. and Mrs. Macdonald, of Montreal, Mr. Jimmy Sproule, Mr. John Sharpe, of Montreal. Lieut. Boyd Summerville, of the Black Watch, R.H.R., was down from Toronto.

ALEXANDER — HAMPSON

May 9th—

The marriage of Barbara Isabel, younger daughter of Mr. and Mrs. Greville Hampson, to Pilot Officer James O. Alexander, R.A.F., son of Brigadier and Mrs. R. O. Alexander, D.S.O., of Toronto, took place May 9th, at St. Mark's Church, South Farnborough, Hants, England.

E. R. BENNETT WILL WED MISS DOBELL ON MAY 22ND.

“Star”.

At the marriage of Miss Dorothy Janet Dobell, only daughter of Mr. and Mrs. R. Reid Dobell, to Mr. Edwin Ronald Bennett, elder son of Captain and Mrs. R. V. Bennett, of Sackville, N.B., which is taking place on Wednesday afternoon, May 22, at half-past three o'clock, in St. George's Church, the bride will be attended by Miss Jane Russel, as maid of honour, and by her cousin, Miss Elizabeth Martin, of Victoria, B.C., the Misses Jean and Betty Heubach and Miss Mary Sims, as bridesmaids. Mr. Harrison Bennett will be best man for his brother and the ushers will be Mr. Fred Porter, Jr., Mr. E. S. Pinckard, of Hamilton, Ont., Mr. W. H. Lind, of St. Mary's, Ont., and Mr. J. A. Cross. A reception at the home of the bride's parents, 1300 Redpath Crescent, will follow the ceremony.

Congratulations to:

ROGER BOOTHROYD who has won a National Council of Research studentship.

When we heard from them at Christmas—

“Hod” Stovel is still Mine Superintendent at the Hallnor Mine and still unmarried. “Hod” is the man who, starting from scratch, proved that it was possible, without knowing a word of French, to pass McGill matriculation in one year. (B.C.S. 1929-1930).

Sam Stovel (B.C.S. 1930-1933) is now working in the Assay Office at the Dome. He was married in Montreal on February the second, to Miss Betty Robb, sister of Bill Robb, an Old Boy.

Bruce Stovel now calls Haileybury “home”. He is working for the Canadian Industries and has been transferred to Haileybury, where he has charge of the district.

It was Bruce who, intending to take Spanish matriculation in one year, changed his course at Christmas, tried for Senior matriculation instead, and passed it. (B.C.S. 1930-1933).

McGill Notes

STEWART ALLEN, Com. 2. "Stew's" debates with Professor d'Hautserve were apparently quite something, judging by all accounts of them. C.O.T.C.

PETER BAROTT, B.A. 4. Peter's Baby Austin has been replaced by a bigger and better car. Peter was one of the Business Managers for the Revue this year. Black Watch.

HARRISON BENNETT, B.A. 2. Harrison is working in town this summer. Latest flash of him was in a 1931 Willys-Knight of magnificent proportions. C.O.T.C.

MALCOLM BYERS, B.A. 2. "Frog" is "croaking" as happily as ever and his Tyrolean hat has been replaced by an even more splendid creation. C.O.T.C.

PAUL BYERS, B.Sc. 1. Last seen just before exams. in the library. Apparently reaction from the exams. was too much for him and he has not been seen since.

DONALD DURNFORD, Com. 1. Donald succumbed to measles this spring, but got rid of them in time to polish off exams.

EDWARD BOOTHROYD, Law 3. "Boots" combined the residency of third year law very successfully with a captaincy in the C.O.T.C.

H. M. BURGESS, B.A. 2. R.V.C. still holds a great attraction for "Timmy", but these days it is empty so "Timmy" is concentrating on golf. C.O.T.C.

H. COLDITZ, Eng. 3. And still the motor bike roars through the streets of Montreal.

ROBERT DUNCAN, Med. 3. "Sleepy" conceals himself so successfully in the medical building that we have very little to report, but we understand his work is excellent.

GUY DRUMMOND, Law 2. Guy has not been seen since the exams, but we are told that all goes well. C.O.T.C.

HARTLAND FINLEY, B.Sc. 1. Hartland was last seen outside Trafalgar School in a motor car. So perhaps one can only conjecture.

IAN GILLESPIE, B.Sc. 3. "Giles" has become a botanist; the other day he was reported as looking for gardenias in the Redpath Library. His "polo" coat goes strong.

PETER GRIER, Com. 1. Peter has forsaken the "Pit" now that college is over, in favour of the Laurentians.

WARREN HALE, B.A. 2. "Wal" is still smiling through. Latest reports say he has been frequenting the Red Cross luncheon restaurant. We wonder why? C.O.T.C.

JOHN KEMP, B.A. 2. John has been doing well in the Black Watch. He has completely recovered from a nerve wracking drive out to the School recently, when the ditch had an almost fatal attraction.

W. DOHENY, Arts P. "Bill's" excellent work in the Red and White revue was rewarded by his appointment as Producer for the next year's one. He hopes to go down to the Gulf of St. Lawrence for part of the summer. Black Watch.

D. DOHENY, Law 1. Dan did well in his first year law. He has recently returned from a ski trip to Mount Washington. C.O.T.C.

H. DOHENY, Law 3. Despite illness at the beginning of the year, Hugh passed his final year exams with flying colours. He is going out to School to study for his Bar exam. C.O.T.C.

JAMES KENNY, B.Sc. 1. Jim went home soon after the exams and is now reported to have taken up entertaining. C.O.T.C.

PERCY LESLIE, B.A. 3. Now that exams are over the important thing to do is to get caught up on sleep, says "Rip". C.O.T.C.

SIDNEY LYMAN, B.A. 3. Sid's unfailing good humour and wit enliven both lectures and the arts steps.

LAWRENCE MACDOUGALL, Law 1. "Doug's" arguments are even more formidable now that he has entered into them.

P. T. MOLSON, B.A. 3. Three to seven a.m. still permits only four hours sleep, even with daylight saving time. Navigation course in preparation for the navy.

J. W. MORELAND. "Happy" seems to have found first year very much to his liking.

W. NORISH, Law 2. "Slugs" is holding his own well in the law family. He was seen driving golf balls during exam hours, presumably to drive away the legal cobwebs.

H. NORSWORTHY, B.Sc. 1. "Nors" is becoming the complete accountant and is working with MacDonald this summer. C.O.T.C.

R. PECK, B.Sc. 4. Alas, alas, his Ford is gone! Other motorists now navigate Sherbrooke St. in the ordinary manner. Artillery.

ERIC PHELPS, B.Sc. 2. Eric was one of the stars for the Red and White revue, but has now given up looking for the Dean. C.O.T.C.

GORDON POWIS, Com. 1. "Gordie" is working with the Bell Telephone Company this summer, but some gossip has said, only between week-end parties. C.O.T.C.

W. RITCHIE, B.A. 4. No one has been able to find out whether Bill finally drove home for Easter.

HUGH SETON, B.Sc. 1. Hughie still flashes his bow tie on the arts steps from time to time.

DAVID SKELTON, Arch. 5. Dave is now a finished architect and graduates this year.

T. T. STOKER, B.Sc. 1. Thornly is off to Indianapolis to see the famous motor race, but has given out no statement as to whether he intends to compete.

PAT STOKER, Arch. 1. Pat is now at Waterways, Alberta, working on a survey, for this summer.

ERIC HUTCHISON, B.A. 2. Eric again distinguished himself by winning a scholarship this year. Formerly he was planning to go to South America this summer but has given up in favour of the Canadian West.

HECTOR TROTTER, B.Sc. 1. Hector has not been seen recently, but we understand that he has been getting on well.

WILLIAM TYNDALE, B.A. 3. Bill passed artillery exams very well and doubtless the same with his college exams. As usual he is fairly burning up the golf fairways.

FRANK WINSER, B.A. 3. Frank finds life as good as ever. "Cursis its fun."

GEORGE WINTERS, B.Sc. 1. George still finds that English 2 does not interfere with the rest of college life at all.

HENRY LANGSTON, Arch. 5. The school is represented twice in the graduating class of architecture. Henry did well in his exams.

THE MARITIMES

HALIFAX

WISWELL, G. B. "Wis" had a good year at Dalhousie, taking part in hockey, football, badminton and tennis, and many other extra-curricular activities. To cap it off, he passed his year easily.

BLACK, R. McD. "Rory" came back to the hockey wars this year, making the Dalhousie Intermediate team. The last we heard of him was that he is taking over some of his father's lumber business while the latter is in Ottawa.

HOWE, W. H. King's will long remember Bill for his great interest in all activities. He played hockey, football, basketball; was a star debater, and enjoyed a social whirl. He hopes to get into the R.C.N. soon.

WISWELL, J. G. We do not hear much of John upon the campus, but from rumours we judge that he is very active in the Medical School.

CHURCHILL-SMITH, J. "Sean" earned himself a new nickname this year, "Joe College" because of his eight foot scarf and battered chapeau. He played for the Dalhousie hockey team.

BLACK, G. S. Last but not least, of the B.C.S. Haligonians, is our old friend "Herky" or (down here) "Sam". He visited School on his holidays in May.

SACKVILLE

GASS, D. A. "Dave" is an officer in the Mount Allison Academy Cadet Corps this year. We hear that he still has his famous old Model T.

HALE, W. "Bill" also is an officer in the same Corps. He hopes next year to go to the University.

GASS, G. D. "Zeke" is buried in books and we do not hear much of him.

FREDERICKTON

FLETCHER, J. M. Jim seems to have coupled a good social year with sufficient work to pass his year satisfactorily. The Dalhousie Co-ed basketball team knew him well when they returned from U.N.B. !

U. B. C. Notes

GRIER, R. S. Richard played hockey this year in the Intermediate team. He has been in the O.T.C. throughout the year, and has taken the Infantry (M.G.) course. At present he is working hard for the examinations as are many others.

JONES, W. Bill has been active in the O.T.C. during the year. His talent for fixing radios has been a great boon to many news conscious radio owners this year, and consequently has helped to keep Bishop's well informed on the progress of the war.

GOODHUE, E. Since he lives in Sherbrooke we see little of Ned except at lectures and O.T.C. parades. His car, however, is the envy of many resident students who may be seen looking at it jealously from the steps of the buildings.

LINDSAY, R. A. Robin played goal for the Junior hockey team this season and turned in some good games. He had the position of assistant stage manager with the Dramatic Society, and contributed much towards the excellent set for the major play. He has been appointed stage manager for next year. He passed his O.T.C. exams this spring.

MACKENZIE, H. E. Hugh has been staff-sergeant in the O.T.C. all year, and passed his exams successfully. He has worked energetically as property manager for the Dramatic Society and his talents contributed to the success of the plays. He played on the Junior hockey team this season and took part in the inter-building games. Next year Hugh will be secretary-treasurer of the "Mitre".

AYLAN-PARKER, E. Ed. was manager of hockey for the last season and vice-president of the athletic committee. He was 2nd I.C. of the O.T.C. He leaves this year from the Divinity with an L.S.T., leaving the college halls more void than ever without his cheery laugh.

SHAUGHNESSY, LORD. Shag played inter-year hockey this year. He will be president of the Debating Society next year. He was in the O.T.C. throughout the year and successfully passed his examinations.

STAIRS, G. M. Gibby was active on the College ski team this year, and was awarded a minor letter for his work in helping the team win the Eastern Townships Championship. He was a corporal in the O.T.C. and passed all his examinations in that connection. He will graduate next year in Arts.

TOMLINSON, C. L. Lester was the backbone of our ski team this year and won the individual E. T. championship for the second consecutive year. He will be circulation manager of the "Mitre" next year. He passed his examinations in the Artillery wing of the O.T.C. this year. He will graduate in science next year.

RADLEY-WALTERS, S. V. Radley played goal for the intermediate hockey team this year and turned in some excellent games. He was a corporal in the O.T.C. and went through a good year of training. He graduates this year, much to the regret of all who know him at the College. We all wish him good luck in whatever he may put his hand to.

CROSS, G. E. George left the College to join the Royal Navy in the middle of last April. He was the second man to leave the College to join the service. He, of course, has been missed by all of us, but it should be a matter of pride to the School to know that he and many other Old Boys have dropped whatever they were doing to join one of the services in the defence of their country.

ANNUAL GENERAL MEETING AND BANQUET

The Annual Banquet of the Association was held on Saturday, November 16th, at the Montreal Club and was attended by about 80 Old Boys. We were fortunate in having as guest of honour Dr. Cyril James, now Principal of McGill University, who addressed the banquet on the Economic Aspects of Canada's Participation in the Great War. Dr. James is both an economist of international reputation and an entertaining speaker and his address was one of the most interesting ever delivered at our banquets. He was followed by Mr. C. G. M. Grier, the headmaster, who showed moving pictures and lantern slides illustrating the activities of the boys at the School.

Brief impromptu addresses were also delivered by a number of prominent Old Boys present at the Banquet including THE RIGHT REV. LENNOX WILLIAMS, D.D., HONORARY CHAPLAIN.

It is most regrettable that a number of Old Boys, many of them active members of the Association, were unable to attend the Banquet because of certain military examinations which were set for that evening only after all arrangements had been made for the banquet.

The Annual General Meeting of the Association was held immediately prior to the Banquet. The president's report was read and a committee for the ensuing year was elected. Three members of last year's committee, E. de L. Greenwood (B.C.S. '03-'12) W. W. Ogilvie (B.C.S. '17-'22), and J. C. Routledge (B.C.S. '09-'17) are not on the Committee this year. Of these Major Greenwood and Bill Ogilvie had been members of the Committee for some years and were exceptionally active in the affairs of the Association. Major Greenwood was for many years secretary-treasurer and more recently successively Vice-President and President. As chairman of the Board of the School he continues to take an active interest not only in the School but also in the Association. Bill Ogilvie will long be remembered with gratitude as the creator of the Ogilvie Scholarship.

The third retiring member, J. C. Routledge, by comparison a newcomer to the committee, had taken a most active interest in the Association. As an officer of the Black Watch he found that he no longer had the opportunity to attend meetings of the Committee.

The places of these three Old Boys on the Board are taken by M. C. Holt (B.C.S. '17), Henry T. Markey (B.C.S. '19-'26), and William Mitchell (B.C.S. '26).

The number of members in good standing has, in recent years, shown a slow but steady increase. The Directors feel that there must still be many Old Boys who con-

tinue to be interested in the School but who are not active members of the Association. The fee is \$3.00, of which \$1.00 is set aside for the Old Boys' Scholarship, \$1.00 is for the Magazine, and \$1.00 for general expenses. Those who have not yet paid their fees for the current year are urged to send them to the secretary-treasurer, P.O. Box 250, Place d'Armes, Montreal.

It is with deep regret that we learn of the death of *George Auld* (B.C.S. '22-'26) who was killed in a flying accident near Trenton, Ontario, on May 17th. He was taking a course to qualify him as an instructor in aeronautical navigation under the Empire Air Training Plan and is thus in a sense the first casualty amongst Old Boys in the present Great War.

The Association has lost two loyal supporters in *F. St. B. Harrison*, of Westmount, who died in December, 1939, and *Bernhard Marcuse*, who died on the 17th March.

H. W. Dawson was recently killed in an accident during the blackout in England.

A number of Old Boys have proceeded Overseas with the First Division under *Major-General A. G. L. McNaughton* (B.C.S. 1900-05). Among these are *Captain C. M. (Bud) Drury* (B.C.S. '25-'29) adjutant in a regiment of heavy artillery, *Robert Boswell* with the Engineers, *D'Arcy Lynch* (B.C.S. '30-'33) with the Sherbrooke Regiment and *Louis Philippe Payan* (B.C.S. '24-'28) with the Royal 22nd Regiment.

Graham Egerton (B.C.S. '33-'37) is a Pilot Officer in the R.A.F. When word was last received he was stationed at Hooton Park, Cheshire, England.

Captain Stewart Cantlie (B.C.S. '16-'20) of the Black Watch has gone Overseas in advance of his unit.

Max Boulton (B.C.S. '26) and *Weir Davis* (B.C.S. '18-'23) are now at Kingston taking an artillery course preparatory to going Overseas.

Ian Ogilvie (B.C.S. '29) has also been stationed at Kingston taking a naval course. A few weeks ago he was injured in an automobile accident but we are pleased to learn that he is fast recovering.

A number of Old Boys have been gazetted to positions in the 2nd Montreal Regiment of Artillery. Among those are *Tom Molson* (B.C.S. '16-'18), captain in the 10th Medium Battery; *M. C. (Buz) Holt*, captain in the 66th Field Battery; *C. E. Price* (B.C.S. '14-'19) in the 10th Medium Battery; *Harold I. Kennedy* (B.C.S. '23-'28) in the 3rd Medium Battery and *Tom MacDougall* (B.C.S. '19-'26), captain in the 5th Anti-Aircraft Battery.

Among the Old Boys taking a course with the R.C.N.V.R. in Montreal are *Bill Mitchell* (B.C.S. '19-'26) and *Jimmy Sare* (B.C.S. '25-'30).

Gordon Luther (B.C.S. '21-'32) has recently received a commission in the R.C.N.V.R., and is now stationed at the Montreal docks.

Major E. de L. Greenwood has recently been appointed Adjutant to the McGill C.O.T.C.

A number of Old Boys have recently completed a course in this Corps. Of these *Gordon MacDougall* (B.C.S. '24-'30), *Bob McLernon* (B.C.S. '26-'30), *Tom Molson* (B.C.S. '29-'33), *George Montgomery* (B.C.S. '26-'28), *Tom Montgomery* (B.C.S. '29-'33), *Hugh Doheny* (B.C.S. '26-'33), *Dan Doheny* (B.C.S. '34) and *Bill Tyndale* (B.C.S. '37) specialized in artillery work. Among their instructors were *Tom Molson* (B.C.S. '16-'18), *Tom MacDougall* (B.C.S. '16-'22) and *John F. Acer* (B.C.S. '17-'21). *Ed Boothroyd* (B.C.S. '22-'31) specialized in machine gun work and *Malcolm Byers* is preparing for the Army Service Corps.

Brian McGreevy (B.C.S. '19-'26) is an instructor in the new summer course under the McGill C.O.T.C. Among those following this course are *Pinky McMaster* (B.C.S. '19-'25) and *Bob Montgomery* (B.C.S. '26).

Paul F. Sise (B.C.S. 1892-1896) commanded a Platoon in the Infantry Wing and *Colin Rankin* (B.C.S. '27) was Sergeant in the Cavalry Platoon.

Henry Markey (B.C.S. '26) and *John Porteous* (B.C.S. '17-'21) acted as instructors in Musketry.

Lord Shaughnessy (B.C.S. '38) successfully completed a course with the C.O.T.C. at Bishop's College.

John Kemp and *Bill Doheny*, who were formerly with McGill C.O.T.C., are now with the Black Watch.

John Meakins (B.C.S. '24-'29) is now attached to the R.C.A.F. and is doing research work at the Banting Institute.

Hugh Doheny (B.C.S. '26-'33) one of the directors of the Association, and *Ed. Boothroyd* (B.C.S. '22-'31), received the degree of Bachelor of Civil Laws at the recent McGill Convocation.

Willie Murray (B.C.S. '27) is an associate professor at Massachusetts Institute of Technology.

Oggie Glass (B.C.S. '28-'32) who is on the staff of the Montreal Gazette, has been spending most of his time in the Criminal Courts. He tells us that he sees surprisingly few of the Old Boys.

E. S. D. (Laz) Weaver (B.C.S. '20-'30) was married to *Betty Barker* of Sydney, N.S., in Christ Church Cathedral in Montreal, on the 23rd of March.

Ronnie Bennett (B.C.S. '30-'35) was married to *Miss Dorothy Janet Dobell* in St. George's Church, Montreal, on the 22nd May.

Tom MacDougall has recently been elected Vice-President of the Montreal Stock Exchange.

We received the following note from *Major-General A. C. Joly de Lotbiniere* (B.C.S. '74-'78), who is now residing in England:—"Good luck for '40, and may we have straightened things out by this time next year. I hear the 1st Division are a fine lot."

IT STANDS TO REASON

that EATON branded lines are hard to beat! They have to be good! Physically, they're subjected to exhaustive tests and checks in EATON'S Research Bureau. Comparatively, they're checked continuously in their respective price ranges. Finally, they've stood the hardest test of all-- public approval. Thousands of Canadians insist on EATON branded lines --EATONIA, BIRKDALE, CAN-TERBURY and others. It stands to reason that

Are you "in the Swim"?

It's the boy with energy, endurance and a determination to do things well who excels in sports and studies—who is "in the swim" of things at school and college.

Success in later life calls for much the same qualities, and is made more sure if, with them, is linked *money sense*—knowing values, how to manage your financial affairs. . . . This *money sense* is im-

portant not only in a business career but in a professional one as well.

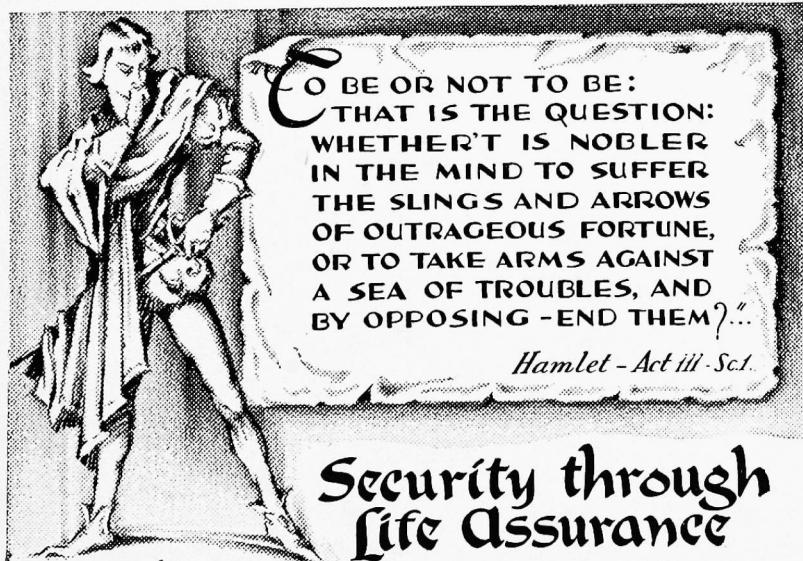

Experience shows that the best way to get this *money sense*, and to develop it, is to have a savings account into which you make regular deposits, even though small. You will enjoy having an account of your own, and we will be glad to open one for you at any of our offices.
